**Crown House WJEC Psychology** Nov 25 2021 Edited by Nigel Holt and Rob Lewis, the authors of the hugely successful AS Level Psychology: The Student's Textbook (ISBN 9781845900939) and The Study Guide (ISBN 9781845900953), Crown House WJEC Psychology: AS Level, written by Nicola Taylor and Kirsty White, rigorously examines what students need to know for the WJEC psychology AS specification. The beautifully designed, easy-to-use textbook comprehensively covers all of the course material and offers exam hints and questions to aid study. Written by experienced practicing teachers and edited by two experienced examiners, textbook authors and university lecturers, the book includes: evaluation of key studies, to encourage reflection and critical analysis, aid understanding and give context; explanations of the different psychological approaches, including positive psychology, and comparisons between them; evaluation of contemporary debates, including their economic, social and ethical implications; detailed exploration of research methods, including experimental design, research methodologies, analysing and reporting data and dealing with ethical issues; and analysis and evaluation of classic studies. Crown House WJEC Psychology: A Level will be available in 2016.

**Pearson Edexcel A-level Psychology Student Guide 3: Psychological skills** Nov 01 2019 Reinforce understanding throughout the course with clear topic summaries and sample questions and answers to help students target higher grades. Written by experienced teacher and subject expert Christine Brain, our Student Guides are divided into two key sections - content guidance, and sample questions and answers. Content guidance will: - Develop understanding of key concepts and terminology; this guide covers psychological skills, including methods, a synoptic review of studies, issues and debates. - Consolidate knowledge with 'knowledge check questions' at the end of each topic and answers in the back of the book. Sample questions and answers will: - - Build understanding of the different question types, so that students can approach each question with confidence. - - Enable students to target top grades in Paper 3 with sample answers and commentary explaining exactly why marks have been awarded.

**Oxford AQA Psychology A Level Year 2** Jul 30 2019 Written by the highly experienced author-examiner team of Simon Green, Rob Lewis and Julia Willerton, this popular series has been extensively revised to provide authoritative, accurate and comprehensive coverage of the 2015 specification. This book will help you to develop core psychology skills and encourage you to become a competent researcher and independent learner.

**OCR Psychology** Aug 11 2020 OCR Psychology, Third Edition, is endorsed by OCR for use with the OCR AS Psychology specification. This book prepares students for all elements of the OCR Psychology AS exam. It covers both research methods and core studies, giving the who, what, where, and even the why of each study. It also looks at some of the work that followed the studies. Key features of the book include: 'Psychological Investigations': the first chapter of the book helps students to understand research methods in psychology - useful support for the Psychological Investigations exam and for understanding the core studies themselves. Core Studies: each study is described first 'In a Nutshell', followed by a detailed account of the aims, method, results and conclusions. Guidance is given on how each study can be evaluated and a wealth of extra materials is provided for each study - questions to assess understanding, practical activities, multiple choice and exam-style questions, further reading and video links. Background to each core study is included in the 'Starters' and 'Afters' features: information about related research before and after the study; and biographical details of the researcher(s). Approaches, perspectives, issues and methods are considered in a brand-new chapter to cover the themes of the course and prepare students for the long-answer questions on the Core Studies exam. Exam guidance: each chapter ends with short- and long-answer exam-style questions answered by students with teacher feedback. The book is presented in colourful and well-structured magazine-style spreads to aid the learning process. This 3rd edition has been completely revised, and is now accompanied by a companion website featuring an extensive range of online resources for both teachers and students, including answers to the questions posed in the book, glossary flash-cards, and multiple-choice test banks.

*Psychology for AS Level* Aug 30 2019 Now in full colour, this thoroughly revised and updated 3rd edition of Psychology for AS Level takes into account all the latest changes to the AQA-A syllabus since the last edition was published. It remains closely mapped to the specification making it ideal for students taking the AS Level Psychology exam. New to this edition is a strong emphasis on exam technique, giving students the best chance possible of the highest grades. A whole chapter is devoted to how to study and how to pass, with an 'Examiner's Viewpoint' written by the Chief Examiner at AQA-A. Throughout the book are hints and tips on picking up marks, and there are constant page references to the summarised content in our companion AS revision guide. Further examination support is provided by our accompanying student website, AS Online, available on a

subscription basis to all schools and sixth form colleges that adopt the text. This includes a Student Workbook, interactive exercises, sample essays, interactive multiple-choice questions, a complete Exam Companion and much more. We also provide teacher resources free of charge to qualifying adopters which include a week-by-week teaching plan, sample essays, chapter-by-chapter lecture presentations, and classroom exercises and activities. Please see <http://www.a-levelpsychology.co.uk/online> for further details of these resources and a demo chapter of AS Online. The book includes coverage of six key areas in psychology: human memory, attachments in development, stress, abnormality, social influence and research methods. It retains the thorough content, volume of features and excellent writing style of previous editions but the layout is now fully structured to improve accessibility. Unlike other A-Level textbooks which focus solely on passing the exam, 'Psychology for AS Level' is also designed to foster an interest in the study of psychology as a subject. To this end, the book includes an additional general chapter to introduce the theories and explanations that make psychology a fascinating discipline.
