Out of the Ordinary Dec 02 2019 When you have a child who is disabled you step into a world of unknowns. When Cathy Tanner's daughter was younger, she seemed to fit in with peers even though she had down syndrome. There did not seem to be a large cognitive gap between her and other children, and the author began to think that she'd easily navigate having a mentally disabled child. But as time marched on things began to change. She saw the gap between her daughter's abilities and those of other children widened. The author struggled to find ways to help her daughter socialize with others so that she would not feel isolated as well as working through her own emotional struggles in raising her. Through the years of parenting her daughter the author saw God's providence to provide in multitudes of situations for the author's emotional well being as well as her daughter's continued needs. Join the author as she looks back on raising a daughter with down syndrome and how keeping an open mind and heart while looking to God, has helped her find her way forward.

Outside Your Box Sep 22 2021 Here we are again I couldnt stop with just Dialogue. Gods not

finished. As I told you before, Tte--Tte, was only a subtle boom. God is opening up my heart to spill more. There's a bit of a difference to this book/journal. It explores the imagination of Art, the expression of pure emotions. So, I use to curse really, really, REALLY bad and although I have an extended vocabulary, I felt that the curse words brought it home for ME. It's not to say, it could have been omitted but I know that God will not send me to damnation over a few curse words and if you have an opinion on it, I respect it and at the same time will happily tell you we all fall short. For no one sin is greater than another. Religion will never have me bound and I understand, love and appreciate the God I serve. He made all of me even the side that curses this is another side of my truth but it's a tougher side of me that kept me from giving up the side of me that in the midst of my struggle God let me know He still had it all. It was by sheer stubbornness, will and determination that wouldn't let me quit. I had to continue toward His vision, no matter what came my way. The Bible is our guide but before the guide was written the work had to be put in.

At Swim, Two Boys Mar 05 2020 Praised as “a work of wild, vaulting ambition and achievement” by Entertainment Weekly, Jamie O’Neill’s first novel invites comparison to such literary greats as James Joyce, Samuel Beckett and Charles Dickens. Set during the year preceding the Easter Uprising of 1916—Ireland’s brave but fractured revolt against British rule—*At Swim, Two Boys* is a tender, tragic love story and a brilliant depiction of people caught in the tide of history. Powerful and artful, and ten years in the writing, it is a masterwork from Jamie O’Neill. Jim Mack is a naïve young scholar and the son of a foolish, aspiring shopkeeper. Doyler Doyle is the rough-diamond son—revolutionary and blasphemous—of Mr. Mack’s old army pal. Out at the Forty Foot, that great jut of rock where gentlemen bathe in the nude, the two boys make a pact: Doyler will teach Jim to swim, and in a year, on Easter of 1916, they will swim to the distant beacon of Muglins Rock and claim that island for themselves. All the while Mr. Mack, who has grand plans for a corner shop empire, remains unaware of the depth of the boys’ burgeoning friendship and of the changing landscape of a nation.

Pour Out Your Heart Sep 03 2022 Some people are touched by music. Others by relationship and

fellowship. And still some are connected to God and their world through the written word. *Pour Out Your Heart* was written by former Literature Evangelist, Francis Green, who understands the power of words. He lets you into his innermost thoughts and happily shares his deep desire for the Lord. As you read through this compilation of poems, you will understand—as the title suggests—that they were written straight from the author’s heart. Join Francis as he describes visions of heaven, God’s love, the blessing of children, longing to be by the Lord’s side, thankfulness for all He has done, and so much more; and you will likewise be compelled to pour out your own heart. “A huge blessing during these trying times.” -B.B. - Littleton, Co “[His] love for the Lord truly shines through.” -V.P. & T.P. - Tucson, AZ “We’re using them for our evening devotions.” -M.M. - Beltsville, MD “[Francis’] insights and wisdom, along with [his] ability to express them, truly is a gift and a blessing.” T.S. -Bailey, CO

Love Your Guts Out Jul 01 2022 Can you imagine what it feels like to watch your spouse die? Have you ever wondered how you would handle the loss of your husband, wife, or child? *Love Your Guts Out* chronicles the experiences of the author as he watched his wife (Toni) die from breast cancer. Inspired by her example in life and death, the author describes how his journey of grief led him into the depths of his soul. It was a journey that brought him to a place of desperation to find meaning in life after his wife lost hers. The soul-searching questions he presents in this book brought him face to face with a reality that can only be encountered on the inside of the human soul. Before tragedy strikes, the author encourages the reader to travel this inner road where we find an unlimited resource. He writes that human beings are intrinsically designed for love and explains that the path to experiencing an abundant life requires losing your life—to “love your guts out.”
