Mamie Doud Eisenhower Oct 22 2021 Draws on original sources in the Eisenhower Library to create a scholarly portrait of an often overlooked first lady, Mamie Doud Eisenhower.

First Ladies Sep 20 2021 Profiles and photographs reveal the impact that the presidents' wives had on the suffrage movement, prohibition, civil rights, equality, and war and peace.

The First Ladies Mar 27 2022 A novel about the extraordinary partnership between First Lady Eleanor Roosevelt and civil rights activist Mary McLeod Bethune—a forbidden friendship that changed the world, from the New York Times bestselling authors of *The Personal Librarian*. The daughter of formerly enslaved parents, Mary McLeod Bethune refuses to back down as white supremacists attempt to thwart her work. She marches on as an activist and an educator, and as her reputation grows, she becomes a celebrity, renowned in the Black community, revered by titans of business, and recognized by U.S. Presidents. Eleanor Roosevelt herself is awestruck and eager to make her acquaintance. Upon meeting, Mary and Eleanor bond over their shared belief in women's rights and the power of education, and Mary quickly becomes a friend to the sheltered Eleanor, helping her better understand the plight of Black Americans. When Franklin Delano Roosevelt is elected president, the two women begin to collaborate more closely, particularly as Eleanor moves toward her own agenda separate and apart from FDR, a consequence of the devastating discovery of her husband's secret love affair. Eleanor becomes a controversial First Lady for her outspokenness, particularly on civil rights. And when she receives death threats because of her strong ties to Mary, it only fuels the women's desire to fortify their alliance and further the work they have started, fighting for justice and equality. Told from two perspectives, this is the story of two different, yet equally formidable, passionate, and committed women, and the way in which — hand in hand — Mary and Eleanor forged a singular friendship as they helped form the foundation for the modern civil rights movement.

All about the First Ladies Search-a-Word Puzzles Mar 03 2020 Over 40 fun- and fact-filled brain teasers for puzzle lovers and history buffs focus on White House hostesses — from Martha Washington, Mary Todd Lincoln, and Eleanor Roosevelt to Jacqueline Kennedy, Hillary Rodham Clinton, and Laura Bush. List of data below each grid; solutions at end of book.

First Ladies of the United States Jun 25

2019 A gorgeous publication that reveals the historical importance of first ladies through portraiture. Each first lady has brought her own priorities and flair to the position that has never been officially defined. They have served as hostesses, trendsetters, activists, and political players. *First Ladies of the United States* features 84 portraits of the nation's first ladies, as varied in style and representation as the individual women they depict. From watercolors and oil paintings to engravings and photographs, this book celebrates the legacy of first ladies throughout history. First ladies are some of the most scrutinized public figures in the country, praised or criticized on everything from their fashion to their level of political involvement. There's no better way to explore their visibility and lasting impact than with *First Ladies of the United States*, which places remarkable portraits alongside an insightful essay and lively entries that illuminate the history of the women who have shaped the White House.

First Ladies Feb 23 2022 “Fascinating . . . *First Ladies* is a wonderfully generous look at the women who, often against their wishes, took on what Truman calls ‘the world's second toughest job.’”—The Christian Science Monitor Whether they envision their role as protector, partner, advisor, or scold, *First Ladies* find themselves in a job that is impossible to define, and just as difficult to perform. Now Margaret Truman, daughter of President Harry Truman and an acclaimed novelist and biographer in her own right, explores the fascinating position of First Lady throughout history and up to the present day. With her unique perspective as the daughter of a First Lady, Ms. Truman reveals the truth behind some of the most misunderstood and forgotten First Ladies of our history, as well as the most famous and beloved. In recounting the charm and courage of Dolley Madison, the brazen ambition of Florence Harding, the calm, good sense of Grace Coolidge, the genius of Eleanor Roosevelt, the mysterious femininity of Jackie Kennedy, and the fierce protectiveness of Nancy Reagan, among others, Margaret Truman has assembled an honest yet affectionate portrait of our nation's First Ladies—one that freely acknowledges their virtues and their flaws.

First Ladies of the United States Dec 24 2021 A gorgeous publication that reveals the historical importance of first ladies through portraiture. Each first lady has brought her own priorities and flair to the position that has never been officially defined. They have served as hostesses, trendsetters, activists, and political

players. *First Ladies of the United States* features 84 portraits of the nation's first ladies, as varied in style and representation as the individual women they depict. From watercolors and oil paintings to engravings and photographs, this book celebrates the legacy of first ladies throughout history. [First Ladies](#) May 05 2020 *First Ladies, Second Edition* covers all the women who have held this esteemed "office" since the founding of the United States.

The First Ladies Jun 17 2021 Brief biographies and portraits of wives, sisters, daughters, nieces and other relatives of presidents who have served as White House hostesses, from Martha Washington to Hillary Clinton.

[Europas First Ladies](#) Apr 27 2022

Dolley Feb 11 2021 A fictionalized biography of Dolley Madison, wife of the president, one of the most influential first ladies in history. In narrative form, interspersed with imagined diary entries, the novel describes life in Washington during the War of 1812. By the author of *Venus Envy*.

The First Ladies Jan 13 2021 *The First Ladies* profiles the many courageous women, from Martha Washington to Laura Welch Bush, who have served the presidency and the Nation and maintained one of the most appealing traditions of the White House—hospitality. Each woman profiled in this book has a unique story and an important place in history. This book describes the fascinating stories of how the first ladies served as advocates and volunteers. It also offers remarkable portraits of the first ladies, which were drawn from the White House collection.

[S.E.C.R.E.T.S. of the First Ladies](#) May 17 2021 The second release in a controversial three-part, tell-all series, chronicles the heart-wrenching experiences of the second half of 21 courageous women who tell how their husbands/leaders in the church and community were involved in adultery, incest, gambling, physical abuse, mental cruelty, homosexuality, alcoholism/drug usage, pornography addiction, and pedophilia.

[Pat Nixon](#) Jan 01 2020 Drawing on the first

lady's recently released papers, as well as personal interviews with those who knew her, the author examines Pat Nixon's activism, her complicated relationship with her husband and much more.

A Companion to First Ladies Dec 12 2020 This volume explores more than two centuries of literature on the First Ladies, from Martha Washington to Michelle Obama, providing the first historiographical overview of these important women in U.S. history. Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century Explores the impact of these women not only on White House responsibilities, but on elections, presidential policies, social causes, and in shaping their husbands' legacies Brings the First Ladies into crisp historiographical focus, assessing how these women and their contributions have been perceived both in popular literature and scholarly debate Provides concise biographical treatments for each First Lady

The Presidents' First Ladies Aug 27 2019 Describes the various First Ladies that have lived in the White House and discusses their duties and privileges.

Secret Lives of the First Ladies Jun 05 2020 This newly updated collection of biographies showcases all the secrets, scandals, and trivia from America's first ladies. Whether she's a leading lady, loyal spouse, or lightning rod for scandal, the First Lady of the United States has always been in the spotlight—and in 2017 that was truer than ever. This revised and expanded edition from Quirk's best-selling Secret Lives series features outrageous and uncensored profiles of the women of the White House, from Martha Washington to Melania Trump, it comes complete with hundreds of little-known, politically incorrect, and downright wacko facts. Did you know that . . . • Dolley Madison loved to chew tobacco • Mary Todd Lincoln conducted séances on a regular basis • Eleanor Roosevelt and Ellen Wilson both carried guns • Jacqueline Kennedy spent \$121,000 on her wardrobe in a single year • Betty Ford liked to chat on CB radios—her handle was "First Mama" And much, much more.

The Health of the First Ladies Oct 10 2020 This first comprehensive study of the medical histories of America's first ladies—from Martha Washington to Michelle Obama—discusses their illnesses, their treatments and their physicians in the context of their times. As the categories of illness afflicting Americans have changed through history so have the kinds of maladies affecting the first ladies. Infectious diseases and the consequences of poorly supervised pregnancies have been replaced by cerebrovascular accidents and malignancies. The secrecy with which the White House has traditionally handled inquiries about the health of the president's wife is explored in detail; however, several first ladies, notably Betty Ford, have been transparent about their illnesses in order to educate the public. The effects of a first lady's responsibilities on her health is examined. This book also seeks to discern how the well-being of the first lady influences presidential performance.

Smithsonian Presidents and First Ladies Apr 03 2020 Presents highlights from the lives of the presidents and their wives.

Smart About the First Ladies Sep 01 2022

For every president, there has been a first lady, sometimes two. Who were these women? How has the job of First Lady (unpaid and unelected) changed over time? The Smart About format proves just right for covering history in an easy, appealing way.

First Ladies Jul 27 2019 A look inside the personal life of every first lady in American history, based on original interviews with major historians C-SPAN's yearlong history series, *First Ladies: Influence and Image*, featured interviews with more than fifty preeminent historians and biographers. In this informative book, these experts paint intimate portraits of all forty-five first ladies -- their lives, ambitions, and unique partnerships with their presidential spouses. Susan Swain and the C-SPAN team elicit the details that made these women who they were: how Martha Washington intentionally set the standards followed by first ladies for the next century; how Edith Wilson was complicit in the cover-up when President Wilson became incapacitated after a stroke; and how Mamie Eisenhower used the new medium of television to reinforce her, and her husband's, positive public images. This book provides an up-close historical look at these fascinating women who survived the scrutiny of the White House, sometimes at great personal cost, while supporting their families and famous husbands -- and sometimes changing history. Complete with illustrations and essential biographical details, it is an illuminating, entertaining, and ultimately inspiring read.

Modern First Ladies Nov 30 2019

First Ladies Oct 29 2019 Betty Boyd Caroli's engrossing and informative *First Ladies* is both a captivating read and an essential resource for anyone interested in the role of America's First Ladies. This expanded and updated fourth edition includes Laura Bush's tenure, Hillary Clinton's 2008 presidential bid, and an in-depth look at Michelle Obama, one of the most charismatic and appealing First Ladies in recent history. Covering all forty-one women from Martha Washington to Michelle Obama and including the daughters, daughters-in-law, and sisters of presidents who sometimes served as First Ladies, Caroli explores each woman's background, marriage, and accomplishments and failures in office. This remarkably diverse lot included Abigail Adams, whose "remember the ladies" became a twentieth-century feminist refrain; Jane Pierce, who prayed her husband would lose the election; Helen Taft, who insisted on living in the White House, although her husband would have preferred a judgeship; Eleanor Roosevelt, who epitomized the politically involved First Lady; and Pat Nixon, who perfected what some have called "the robot image." They ranged in age from early 20s to late 60s; some received superb educations for their time, while others had little or no schooling. Including the courageous and adventurous, the emotionally unstable, the ambitious, and the reserved, these women often did not fit the traditional expectations of a presidential helpmate. Here then is an engaging portrait of how each First Lady changed the role and how the role changed in response to American culture. These women left remarkably complete records, and their stories offer us a window through which to view not only this particular sorority of women, but

also American women in general.

"Impressive...Caroli's profiles and observations of American first ladies and their relationship to the media are intelligent and perceptive." -- Philadelphia Inquirer

Meet the First Ladies (ENHANCED eBook)

Jul 07 2020 In *Meet the First Ladies*, your students will find a biographical sketch with detailed information, followed by questions for discussion and research. A page focusing on some aspect of life in the time is also included. Students will learn that not every First Lady was a wife (daughters and relatives also filled the role), how Martha Jefferson made soap, the identity of the first baby born in the White House, who rode down the White House stairs on a cookie sheet and much, much more!

From Martha to Laura: The role of the first lady in US politics Nov 22 2021 Seminar paper from the year 2004 in the subject Politics - Political Systems - General and Comparisons, grade: 1,3, University of Bonn, course: Einführung in die Innenpolitik der USA, 18 entries in the bibliography, language: English, abstract: The position of the first lady of the United States is unequalled anywhere. In comparison to the wives of other democratically elected leaders, she has a much larger staff, receives immense public attention and is in charge of a considerable amount of federal money. While in Great Britain for example, public attention focuses on the members of the royal family and not on the prime minister's wife, the American first lady was drawn to a public role from the very beginning of the United States of America on. While upon inauguration, the president of the United States swears to preserve, protect and defend the Constitution, what does his wife, the first lady promise? The president might be limited by party issues and political ties, but which factors influence the first lady in fulfilling her position? The U.S. Constitution is silent on the role of the spouse of the president since "after all, there is only one person that chooses her"1 (and maybe someday him). The first lady therefore has no democratic legitimacy, but this has not stopped her from publicly representing the American Nation. Where does the acceptance of the first lady as a spokesperson for the American people come from? These are some of the questions this paper will try to answer. The main attention will focus on possible political weight and/or authority of the first lady. The first part will give an overview over the historical development of the office from 1789 until today, describing important social, political and historical factors which have influenced this process as well as personal influences the first ladies and their husbands have had on their position. The second part will focus on the specific roles that the first ladies have taken over throughout its history and their effect on American politics. Although the early first ladies and their influence on the office will be considered too, the focal point will be on the modern first ladies of the 20th and 21st century. Concerning the spelling of First Lady this paper uses the form of leading first ladies' scholars like Robert P. Watson and use the lower case except when referring directly to a specific first lady.

A Genealogy of the Wives of the American Presidents and Their First Two Generations of Descent Mar 15 2021 From Martha

Download File *maschinenstickwaren.at* on December 4, 2022 Read Pdf Free

Washington to Laura Bush, the wife of each U.S. president has found her place in history, often setting trends and doing important work for the nation. This reference work traces the lineage of all presidents' wives, arranged alphabetically from Abigail Adams to Jane Wyman. Genealogy reveals that some of the women are connected to one another through common ancestry, sometimes even through royal blood—for example, the bloodlines of Laura Bush and Abigail Adams join at King Henry II and can then be traced to King Pepin the Short, born in 714. Several others can be traced back to King John, William the Conqueror, Charlemagne, and Lady Godiva. Clearly organized and easy to use, the work includes not only ancestors but offspring, listing children and grandchildren for each woman. Dates of birth, death, and marriage of ancestors, children and grandchildren are included where known.

Jacqueline Kennedy Sep 08 2020 Focusing largely on Jacqueline Kennedy's White House years, an intriguing portrait examines the complexities of Jacqueline Bouvier's marriage to John F. Kennedy, her mastery of political symbolism and imagery, and her impact on the nation's cultural life.

This new edition contains updated material on all the living First Ladies and updated bibliographies for each entry, as well as a portrait of the newest First Lady.

Upstairs at the White House Jul 31 2022 Originally published: New York: Coward, McCann & Geoghegan, c1973.

Melania and Michelle Jul 19 2021 At home or at the podium, the First Lady is uniquely poised to serve as advisor, confidant, and campaigner, with the power to shape American political and social conversation. At first blush, First Ladies Michelle Obama and Melania Trump appear categorically different from each other; however, as women rising from humble origins to pursue their ambitions and support their

husbands, the two have more in common than one might think. In *Melania & Michelle: First Ladies in a New Era*, author Tammy R. Vigil provides a compelling account of our modern first ladies, exploring how each woman has crafted her public image and used her platform to influence the country, while also serving as a paragon of fashion and American womanhood. Both women face constant scrutiny and comparison—from their degrees of political activism to their cookie recipes—and have garnered support as well as criticism. From their full lives pre-nomination to their attitudes while occupying the White House, Vigil builds careful and thoughtful portraits of Melania Trump and Michelle Obama that provide a new appreciation for how these women, and the first ladies that came before them, have shaped our country.

Modern First Ladies Aug 20 2021 Brief profiles of first ladies from Mrs. Hoover to Mrs. Reagan accompany information on their years in the White House

First Ladies Apr 15 2021 Examines the uniquely American role of the First Lady, from the exuberant Dolley Madison and tragic Mary Todd Lincoln to the humanitarian Eleanor Roosevelt and politically ambitious Hillary Clinton.

First Ladies Sep 28 2019 "Betty Boyd Caroli's *First Ladies* observes the role as it has shifted and evolved from ceremonial backdrop to substantive world figure ... This [is a] expanded and updated fifth edition ... covering all forty-three women from Martha Washington to Melania and Ivanka Trump and including the daughters, daughters-in-law, and sisters of presidents who sometimes served as First Ladies. Caroli explores each woman's background, marriage, and accomplishments and failures in office. *First Ladies* is a portrait of how each First Lady changed the role and how the role changed in response to American culture. These women left remarkably complete records, and their stories offer us a window through which to view not only this particular sorority of women, but also the role of American women in general."--Provided by publisher.

American First Ladies Jun 29 2022 This volume presents thirty-nine interpretive biographical essays on all first ladies, from Martha Washington to America's newest First Lady, Laura Bush. This new edition contains updated material on all the living First Ladies

and updated bibliographies for each entry, as well as a portrait of the newest First Lady.

First Ladies Nov 10 2020 *First Ladies* Michelle. Laura. Jackie. Dolley. Eleanor. Mamie. Nancy, Barbara, Hillary. First Ladies Jan 25 2022 On cover: An intimate look at how 36 women handled what may be the most demanding, unpaid, unelected job in America.

The First Ladies of Rome Aug 08 2020 Like their modern counterparts, the 'first ladies' of Rome were moulded to meet the political requirements of their emperors, be they fathers, husbands, brothers or lovers. But the women proved to be liabilities as well as assets - Augustus' daughter Julia was accused of affairs with at least five men, Claudius' wife Messalina was a murderous tease who cuckolded and humiliated her elderly husband, while Fausta tried to seduce her own stepson and engineered his execution before boiled to death as a punishment. In *The First Ladies of Rome* Annelise Freisenbruch unveils the characters whose identities were to reverberate through the ages, from the virtuous consort, the sexually voracious schemer and the savvy political operator, to the flighty bluestocking, the religious icon and the romantic heroine. Using a rich spectrum of literary, artistic, archaeological and epigraphic evidence, this book uncovers for the first time the kaleidoscopic story of some of the most intriguing women in history, and the vivid and complex role of the empresses as political players on Rome's great stage.
