The Celts Apr 24 2022 This volume invites readers to delve into the origins and development of ancient Celtic culture and immerse themselves in their historical development, cultural horizons, societal structure, and much more. The text traces the birth of the Celts back to the Era of the Celtic Princes, which is believed to have begun around the mid-eighth century, B.C. Readers are taken on a journey of discovery that chronicles the era of migrations in the third and fourth centuries B.C. followed by several millennia which saw the interaction between Celtic and non-Celtic-speaking people that would bring about the diversification of the Celtic peoples. Chapters devoted to warriors and farmers, the Celts of Iberia, and the Celts of Britain and Ireland explore the social structures of these evolving civilizations and details of their daily lives. Hundreds of photographs, aerial views, three-dimensional reconstructions, and details of ancient artifacts supplement the authoritative text.

**The Book of Celtic Wisdom** Dec 29 2019 A collection of the poems, proverbs, and aphorisms of the Celtic people that have been passed down from generation to generation for thousands of years. The Book of Celtic Wisdom shares the proverbs and blessings that bring the wisdom of the ancient Celts to life. Their thoughts on charity ("Stretch out your hand in giving, and  
**Download File The Atlantic Celts Ancient People Or Modern Invention Read Pdf Free**

you will never stretch it out in need"), aging ("The older the fiddle, the sweeter the tune"), and work ("The lazy young man and the poor old man; two sides of the same coin") are as relevant today as they were thousands of years ago. A thoughtful and reflective compilation, this book is bound to inspire, enlighten, and entertain readers every-where.

The Ancient World of the Celts May 02 2020 The Celt people - their history and their myths, their artwork and treasures. Masterpieces in metal work and stone carvings, glassware and jewelry. an overview of their world.

*Pre-Christian Ireland* Aug 17 2021 Tells the story of human settlement in Ireland from its beginnings 10,000 years ago to St Patrick's Christianizing mission in the 5th century AD. This is interwoven with accounts of major excavations at sites such as Carrowmore, Rathgall and Navan Fort.

**Ancient Celts** Mar 31 2020 An introduction to ancient and living cultures around the world with maps, resources, and project descriptions using stencils to make some of the objects ancient people produced. Written in English.  
*The Celts: A Very Short Introduction* Mar 24 2022 Savage and bloodthirsty, or civilized and peaceable? The Celts have long been a subject of enormous fascination, speculation, and misunderstanding. From the ancient Romans to the present day, their real nature has been obscured by a tangled web of preconceived ideas

and stereotypes. Barry Cunliffe seeks to reveal this fascinating people for the first time, using an impressive range of evidence, and exploring subjects such as trade, migration, and the evolution of Celtic traditions. Along the way, he exposes the way in which society's needs have shaped our visions of the Celts, and examines such colourful characters as St Patrick, Cú Chulainn, and Boudica. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.

**Staring Into the Fire: A Celtic Story** Mar 12 2021 Staring Into the Fire: A Celtic Story By: Loretta Santoro In the old days, before the ice, people talked to the spirits directly. In time, people narrowed their focus and forgot how to do that. There were few left who could do it—the truthsayers mostly, but even they had forgotten how to read the stones. So when it came to predicting the future, they couldn't see very far. They did confirm that the rumors about an imminent invasion by the southern empire were true. How the people dealt with this news was up to each of them. Most would fight, of course, and those who wouldn't or couldn't hoped the invaders would treat them fairly. Meelah would fight. As any warrior would. But she is also a widowed mother and the daughter of a truthsayer, conflicting duties with conflicting purposes. With a clash of cultures looming over her, she begins to question her ways and decide for herself what parts are worth saving. As she searches for the ultimate truth, she concludes that the best she can do is to find her own truth because, in the end, her own truth is all that she can take with her.

[Die Lehren des Schuldirektors George Harpole](#) Jul 24 2019 George Harpole ist Mitte dreißig und arbeitet schon eine Weile an der St. Nicholas-Schule, als er auf den Direktorenposten befördert wird. Für ein halbes Jahr soll er die Geschicke der Lehranstalt leiten. Bald stellt er fest: Die eigentliche Herausforderung ist das, was außerhalb des Klassenzimmers passiert. Denn dort gilt es, sich durch ein kompliziertes Beziehungsgefüge zu hangeln. Auch die Zusammenarbeit mit den Kollegen erweist sich als schwieriger als gedacht. Ganz zu schweigen vom Umgang mit den Eltern. Zum Glück gibt es auch Lichtblicke: Die hübsche Mrs Foxberrow etwa, ihres Zeichens überzeugte Reformpädagogin. Und den ein oder anderen Schüler natürlich ... »Die Lehren des Schuldirektors George Harpole« ist in England ein Kultbuch. Aus Briefen, Tagebucheinträgen und Beobachtungen entsteht bei J. L. Carr ein äußerst unterhaltsamer Roman, der in Erinnerungen an die eigene Schulzeit schwelgen lässt - und zeigt, wie es ist, auf der anderen Seite zu stehen. »Eine Ansammlung von unvergesslichen Charakteren, die im Dickicht des britischen Schulsystems verborgen liegen ... Absolut großartig!« The Times

[The Ancient Celts](#) Jan 22 2022 Describes the civilization of the Celts, including the roles and responsibilities of the people within different social classes, such as the farmers, kings, nobles, witches, druids, warriors, and warrior queens.

*The Philosopher and the Druids* Nov 19 2021 Traces the life of first-century Greek philosopher Posidonius, chronicling his adventures throughout the Celtic lands of ancient Gaul while explaining how he informed Rome about such aspects of Celtic culture as the Druids, astrology, and human sacrifice.

evidence of Celts in the archaeological and historical record to the early post Roman period. The Celtic World is one of the most comprehensive studies of the Celts in recent years, with new research material from leading Celtic scholars from Europe, Britain and America. The book includes chapters on archaeology, language, literature, warfare, rural life, towns, art, religion and myth, trade and industry, political organization, society and technology. It also looks at the Celts in Italy, Spain, France, Eastern Europe, the Rhineland, England, Wales, Scotland and Ireland and concludes with a survey of modern Celts and how they view their Celtic identity. The Celtic World will be invaluable for students and academics of Celtic studies, and of interest to anyone fascinated by the Celts.

**The Celts** Jun 26 2022 Alice Roberts goes in search of the Celts and their treasures in a narrative history to accompanying a new BBC series. We know a lot about the Roman Empire. The Romans left monuments to their glories and written histories charting the exploits of their heroes. But there was another ancient people in Europe - feared warriors with chariots, iron swords, exquisite jewellery, swirling tattoos and strange rituals and beliefs. For hundreds of years Europe was theirs, not Rome's. They were our ancestors, and yet the scale of their achievements has largely been forgotten. They were the Celts. Unlike the Romans they did not write their history, so the stories of many heroic Celtic men and women have been lost. And yet we can discover their deeds. . . you just have to know where to look. From Denmark to Italy; Portugal to Turkey Alice Roberts takes us on a journey across Europe, revealing the remarkable story of the Celts: their real origins, how they lived and thrived, and their enduring modern legacy Using ground-breaking linguistic research, in addition to the latest archaeology and genetics, Alice Roberts will explore how this remarkable and advanced culture grew from the fringes of the continent and humiliated the might of Rome. The Celts accompanies a substantial BBC series presented by Alice Roberts and Neil Oliver, and showing in October 2015.

*The Atlantic Celts* Oct 31 2022 The Celtic peoples of the British Isles hold a fundamental

[Download File The Atlantic Celts Ancient People Or Modern Invention Read Pdf Free](#)

place in our national consciousness. In this book Simon James surveys ancient and modern ideas of the Celts and challenges them in the light of revolutionary new thinking on the Iron Age peoples of Britain. Examining how ethnic and national identities are constructed, he presents an alternative history of the British Isles, proposing that the idea of insular Celtic identity is really a product of the rise of nationalism in the eighteenth century. He considers whether the 'Celticness' of the British Isles is a romantic fantasy, even a politically dangerous falsification of history which has implications in the current debate on devolution and self-government for the Celtic regions.

*The Celtic Empire* Sep 05 2020 Drawing mainly on classical sources, and occasionally on archaeology and Celtic traditions, Ellis outlines a history of Celtic people from their emergence as a distinct culture to their conquest by the Romans. A popular treatment, not rigorous even for an introductory text in an academic context. Annotation copyrighted by Book News, Inc., Portland, OR

*Celts* Sep 25 2019 Since the beginning of time the dreams of ancient peoples have included strange gods, fantastic beasts, and heroes both good and bad. The stories peoples made up about their deeds tended to include these characters as they attempted to explain the mysteries of nature - the rising and setting of the sun, the changing of the seasons, and the dumb beasts. This book looks at the Celtic people, their heritage, culture and beliefs.

*The Ancient Celts, Second Edition* Feb 20 2022 Fierce warriors and skilled craftsmen, the Celts were famous throughout the Ancient Mediterranean World. They were the archetypal barbarians from the north and were feared by both Greeks and Romans. For two and a half thousand years they have continued to fascinate those who have come into contact with them, yet their origins have remained a mystery and even today are the subject of heated debate among historians and archaeologists. Barry Cunliffe's classic study of the ancient Celtic world was first published in 1997. Since then huge advances have taken place in our knowledge: new finds, new ways of using DNA records to understand Celtic origins, new ideas about the proto-urban nature of early chieftains' strongholds, All these

[Download File maschinenstickwaren.at on December 1, 2022 Read Pdf Free](#)

developments are part of this fully updated , and completely redesigned edition. Cunliffe explores the archaeological reality of these bold warriors and skilled craftsmen of barbarian Europe who inspired fear in both the Greeks and the Romans. He investigates the texts of the classical writers and contrasts their view of the Celts with current archaeological findings. Tracing the emergence of chiefdoms and the fifth- to third-century migrations as far as Bosnia and the Czech Republic, he assesses the disparity between the traditional story and the most recent historical and archaeological evidence on the Celts. Other aspects of Celtic identity such as the cultural diversity of the tribes, their social and religious systems, art, language and law, are also examined. From the picture that emerges, we are — crucially — able to distinguish between the original Celts, and those tribes which were 'Celtized', giving us an invaluable insight into the true identity of this ancient people.

**The Ancient Celtic Festivals** Oct 19 2021  
Travel 2,500 years back in time to find out where many of our modern holiday traditions originated. • Charming full-color ink and watercolor illustrations throughout. • This valuable resource for teachers and parents uses hands-on activities, natural science facts, and observations to explore the concepts of measuring time, making calendars, and marking seasonal celebrations. • Shows how our popular holiday traditions are rooted in nature, beginning as the seasonal festivals of an ancient society. Children love holiday celebrations but most don't know why they wear masks on Halloween or watch for the groundhog on February 2. Now they can discover that many of our modern traditions started with the festivals of the ancient Celts. The Celts were farming people, so their festivals marked the important events of the agricultural year. Imbolc, in very early spring, celebrated the birth of new lambs, while Samhain, in late fall, celebrated the end of the growing season and the beginning of winter. If we look at our modern calendar, we'll find Groundhog Day falling where Imbolc did, Halloween where the Celts celebrated Samhain, and a host of other holiday correspondences. That's because descendants of the Celts were among the first Europeans to settle in the New

[Download File The Atlantic Celts Ancient People Or Modern Invention Read Pdf Free](#)

World, bringing their holiday traditions with them. In a world of electric lights and store-bought foods, The Ancient Celtic Festivals can help children make the connections to nature that their ancestors did. Whimsically illustrated activity pages invite them to bake a harvest corn bread, stage a spring festival, or warm up the cold depths of winter with hot spiced cider. Teachers, librarians, parents, and children alike will welcome this book as a fun-filled resource. *Celtic Mythology* May 14 2021 Most people have heard of the Celts--the elusive, ancient tribal people who resided in present-day England, Ireland, Scotland and France. Paradoxically characterized as both barbaric and innocent, the Celts appeal to the modern world as a symbol of a bygone era, a world destroyed by the ambition of empire and the spread of Christianity throughout Western Europe. Despite the pervasive cultural and literary influence of the Celts, shockingly little is known of their way of life and beliefs, because very few records of their stories exist. In this book, for the first time, Philip Freeman brings together the best stories of Celtic mythology. Everyone today knows about the gods and heroes of the ancient Greeks, such as Zeus, Hera, and Hercules, but how many people have heard of the Gaulish god Lugus or the magical Welsh queen Rhiannon or the great Irish warrior Cú Chulainn? We still thrill to the story of the Trojan War, but the epic battles of the Irish Táin Bó Cuailgne are known only to a few. And yet those who have read the stories of Celtic myth and legend--among them writers like J. R. R. Tolkien and C. S. Lewis--have been deeply moved and influenced by these amazing tales, for there is nothing in the world quite like them. In these stories a mysterious and invisible realm of gods and spirits exists alongside and sometimes crosses over into our own human world; fierce women warriors battle with kings and heroes, and even the rules of time and space can be suspended. Captured in vivid prose these shadowy figures--gods, goddesses, and heroes--come to life for the modern reader.

voice in councils. Many of these align themselves with a patron voluntarily, whether because of debt or heavy tribute or out of fear of retribution by some other powerful person. Once they do this, they have given up all rights and are scarcely better than servants. The two powerful classes mentioned above are the Druids and the warriors. Druids are concerned with religious matters, public and private sacrifices, and divination." - Julius Caesar The Celts are one of the most well-known groups in Europe and one of the least understood. Depending on which classifications are used, the Celts are also one of the oldest civilizations in Europe. In the centuries before Christ, the Celts were spread out across much of continental Europe, and though they are mostly identified with Gaul, evidence suggests they also spread as far as Portugal. Though they were spread out across Europe before the height of the Roman Empire, most people associate the Celts with the British Isles today, particularly Ireland and Scotland. After they had been relegated to those smaller regions as a result of the Romans and other migrations, the culture of the Celts as it is currently understood began to congeal during the Early Middle Ages, and Celtic culture, folklore, and legend have all become inextricably intertwined with Irish history and British history as a whole. Historically, Celtic cultures differ from their English and French neighbors in a number of ways, including social organization, language, values and economic systems, but one of the most captivating of these has always been their myths. Celtic Myths, which can be read in translation without needing special training in grammar, are more accessible than the Celtic languages, and unlike the other distinctive features that have faded over the centuries, myths still have their immediacy and power when read today. While much has undoubtedly been lost from the ancient Celts over time, medieval manuscripts help scholars understand how Celtic myths have reached the form they have today. Like many ancient belief systems, Celtic mythology shares Indo-European roots, meaning Celtic beliefs have cousins in related societies like the Norse, Greeks, Romans and Slavs, with a foundation of shared mythmaking that goes back several millennia. Descriptions of Celtic mythology by their contemporaries,

**Download File [The Atlantic Celts Ancient People Or Modern Invention Read Pdf Free](#)**

including the Ancient Romans and Greeks, provide a hazy picture, while the tales recorded by Christian monks and undoubtedly bear the stamp of their own religious affiliations.

### **How the Celts Came to Britain Sep 29 2022**

This book reveals how the Celts came to Britain in the sense of how the term 'Celtic' first became associated with the British Isles in the eighteenth century and then gradually took on its modern popular meaning towards the end of the nineteenth. The role of the druids and the importance of craniology in this process is emphasised.

Celtic Mythology: The Religion of the Ancient Celts examines the history and legacy of the religion practiced by the Ancient Celts. Along with pictures and a bibliography, you will learn about Celtic mythology like you never have before, in no time at all.

*Celts* Nov 07 2020 Describes how bodies found preserved in peat bogs have provided scientists with information about the Celtic civilization, and looks at Celtic artifacts and antiquities

*The Celtic Revolution* Jan 10 2021 HISTORY. From the Iron Age to the High Middle Ages, the ancient Celts were an engine of change for the whole of Europe. Here, Simon Young travels back in time to the moments when this ancient people defined indelibly the ancient, medieval and modern world. On this entertaining voyage, the reader will visit the hills of ancient Rome in the company of violent mohicaned warbands, pass into Dark-Age Christendom and witness Celtic monks' peculiar customs of curses and talking to animals. And move on to later medieval France, Germany and England where the ruthless vagabond-hero Arthur was to cast his spell over Britain's and Europe's aristocracy.

While modern Celtic culture is an eighteenth-

**Download File [The Atlantic Celts Ancient People Or Modern Invention Read Pdf Free](#)**

century invention, Simon Young shows that the real Celts turned upside down an area from the New World to Turkey and beyond. Leaving their mark on history, they were no less important than the Romans, Greeks and Etruscans.

**Celtic Mythology** Nov 27 2019 Embark on an Incredible Journey Through History and Learn More About Celts, Their Culture, and Their Customs! Are you a history buff? Would you like to discover the fascinating history of the people who lived in ancient Ireland - the fierce Celts? Are you fascinated by the legends of Celtic gods, and want to find out more? Do you know the stories of the Morrigan, the Dagda Mor, and the mighty Fomorians? In Celtic Mythology, Amy Hughes will take you on a unique historical journey, all the way back to a thousand years before Christ was born. At that time, the Greeks recorded a loose grouping of tribes that lived in central Europe, north of the Alps, and around the Danube river. Over the next few hundred years, those tribes would spread to the east and west, and eventually to ancient Ireland, where they would go on to become the dominant Irish ethnic group. Surrounded by controversies and conflicting theories, their magnificent culture and religion still baffle historians. The Celts' stories and folklore intertwined with supernatural elements to give birth to many legends and myths that remain unsolved to this day. Everything about the Celts-the rise and fall of their unconventional "empire," their culture and customs, the truth and the myths, and much more-can be found inside this incredible book. So, what are you waiting for? Scroll up, click on "Buy Now with 1-Click", and Get Your Copy Now!

*Rom und das Schwert* Jul 16 2021 Das Schwert ist im alten Rom nicht nur das Erzeugnis einer hochentwickelten Technologie, sondern steht vor allem als Metapher imperialer Macht im Fokus. Vom Aufstieg Roms bis zum Aufstand der Völker im Norden und Osten des Reiches, die das Imperium Romanum schließlich in die Knie zwingen sollten, wird die Geschichte der Bewaffnung der römischen Soldaten nachgezeichnet. Simon James bietet so eine anregend neue Perspektive auf die römische Geschichte, indem er sie aus der Sicht der Legionäre und ihrer Aktionen beschreibt. In einer einzigartigen Verbindung von Militär- und

**The Celts** Oct 26 2019 This history of the Celts draws on archaeological, historical literary and linguistic evidence. It covers the continental Celts in prehistory and antiquity, follows the Celts from the departure of the Romans to the Middle Ages and covers Celtic assimilation within the national cultures of Britain.

**The World the Romans Knew** Aug 24 2019 When most people think of the Roman Empire, they think of a vast expanse of peace and order, with the Roman legions ready to put down unrest or repel invaders - and they think of the world outside the Empire as uncivilised, peopled by barbarians. Beyond the frontiers of the Empire come the blank spaces on the map. 'Outside the Empire' describes these people and others, starting with the 'barbarous' Britons and Gauls on the north-west side of the world and working eastward to the great Chinese empire of the Han dynasty. It also describes the trade routes that linked ancient peoples together, and the goods they exchanged - amber from the Baltic, purple dye from Morocco, incense from Arabia, spices from the Indies, pearls from Ceylon, and silk brought along the famous Silk Road from China. Contents: 1. The Celts 2. The Germans 3. Eastern Europe 4. Africa 5. Arabia and the incense routes 6. The Parthians and Sasanians 7. India 8. South-East Asia and the Spice Routes 9. China 10. Central Asia and the Silk Routes.

*Etruria-celtica: Etruscan Literature and Antiquities Investigated* Jan 28 2020

*Tartessian* Jun 02 2020 Beyond the Aegean, some of the earliest written records of Europe come from the south-west, what is now southern Portugal and south-west Spain. Herodotus, the 'Father of History', locates the Keltoi or 'Celts' in this region, as neighbours of the Kunetes of the Algarve. He calls the latter the 'westernmost people of Europe'. However, modern scholars have been disinclined - until recently - to consider the possibility that the south-western inscriptions and other early linguistic evidence from the kingdom of Tartessos were Celtic. This book shows how much of this material closely resembles the attested Celtic languages: Celtiberian (spoken in east-central Spain) and Gaulish, as well as the longer surviving languages of Ireland, Britain and Brittany. In

[Download File The Atlantic Celts Ancient People Or Modern Invention Read Pdf Free](#)

many cases, the 85 Tartessian inscriptions of the period c. 750-c. 450 BC can now be read as complete statements written in an Ancient Celtic language.

**The Celts** Jun 14 2021 We use the word 'Celtic' fast and loose - it evokes something mythical and romantic about our past - but what exactly does it mean? Furthermore, why do people believe that there were Celts in Britain and what relationship do they have to the ancient Celts? This fascinating book focuses particularly on how the Celts were re-invented in the sixteenth and seventeenth centuries, and how the legacy of mistaken interpretations still affects the way we understand the ancient sources and archaeological evidence.

*The Hound of Erin* Dec 09 2020 The Hound of Erin delves into the ancient history of our world, primarily of Ireland and the Celts and the mystic lore of these people. So many historically-found lore and myths of these ancient people seem complex and hard to follow. This story fills in those gaps and softens the transition to such details in a colorful and epic event. The characters in this book have a rich mythological history, and this saga is about their greatest hero, Cuchulainn, whose name was ever on the lips of the bards and poets, who flamed like a comet through the pages of the ancient manuscripts on Celtic mythology. This hero of two separate worlds gained his fame and honor in the world of man by fighting great battles and serving the kings of Ireland and those of the sidhe (faerie) realm. Any fan of Tolkien's popular books - The Hobbit, The Lord of the Rings Trilogy, etc. will love The Hound of Erin, and also Cash Bond's other book, The Faerie Bard. War, Women, and Druids Jul 28 2022 The author of Hannibal: Rome's Greatest Enemy delivers a comprehensive, unbiased portrait of the ancient Celts using Greek and Roman primary sources. "The ancient Celts capture the modern imagination as do few other people of classical times. Naked barbarians charging the Roman legions, Druids performing sacrifices of unspeakable horror, women fighting beside their men and even leading armies—these, along with stunning works of art, are the images most of us call to mind when we think of the Celts," observes Philip Freeman. "And for the most part, these images are firmly based in the descriptions

[Download File maschinenstickwaren.at on December 1, 2022 Read Pdf Free](#)

handed down to us by the Greek and Roman writers." This book draws on the firsthand observations and early accounts of classical writers to piece together a detailed portrait of the ancient Celtic peoples of Europe and the British Isles. Philip Freeman groups the selections (ranging from short statements to longer treatises) by themes—war, feasting, poetry, religion, women, and the Western Isles. He also presents inscriptions written by the ancient Celts themselves. This wealth of material, introduced and translated by Freeman to be especially accessible to students and general readers, makes this book essential reading for everyone fascinated by the ancient Celts. "I know of no other work that pulls this sort of material together and groups it by such helpful categories (war, feasting, poetry, religion, women, etc.). I will certainly value it in my library and . . . as recommended reading for several of my courses. It will be a nice companion to Freeman's *Ireland and the Classical World*." —Patrick K. Ford, Professor and Chair of Celtic Languages and Literatures, Harvard University

Alpine people of old thought about Vervain and how ancient magical spells connected folks on continent with their brethren on the British Isles. And finally, you can go with Christian Brunner on a shamanic journey to Mutter Perchtl and thus participate in the remembrance of the Great Goddess.

*History of the Celts* Oct 07 2020 Despite all the books that have been written on the Celts there is still new material to learn about these mysterious people who lived in Europe 2,000 years ago. In this book you will see for yourself just how much there is to discover. It is written in an easy, light manner that anyone can enjoy and is short enough that it won't take long to get through. The objective of this story is to provide a fresh perspective and to dispell some old beliefs; especially in areas like the Druids. They were not that bizarre as many have come to believe. Sit back and be pleasantly surprised....

**The Druids** Aug 29 2022 \*Includes pictures.

\*Includes ancient accounts of the Druids written by Caesar, Cicero, Pliny, and more. \*Explains the modern revival of Druids. \*Includes footnotes and a bibliography for further reading.

"Throughout all of Gaul there are two classes of people who are treated with dignity and honor. This does not include the common people, who are little better than slaves and never have a voice in councils. Many of these align themselves with a patron voluntarily, whether because of debt or heavy tribute or out of fear of retribution by some other powerful person. Once they do this, they have given up all rights and are scarcely better than servants. The two powerful classes mentioned above are the Druids and the warriors. Druids are concerned with religious matters, public and private sacrifices, and divination." - Julius Caesar The Celts are one of the most well-known groups in Europe and one of the least understood. Depending on which classifications are used, the Celts are also one of the oldest civilizations in Europe. In the centuries before Christ, the Celts were spread out across much of continental Europe, and though they are mostly identified with Gaul, evidence suggests they also spread as far as Portugal. However, even though they were spread out across Europe before the height of the Roman Empire, most people associate the Celts with the British Isles today, particularly

Ireland and Scotland. After they had been relegated to those smaller regions as a result of the Romans and other migrations, the culture of the Celts as it is currently understood began to congeal during the Early Middle Ages, and Celtic culture, folklore, and legend have all become inextricably intertwined with Irish history and British history as a whole. The Celts have fascinated people for centuries, and the biggest fascination of all has been over the Druids, a religious class at the heart of Celtic society that wielded great power. Naturally, people have been interested in Druids for centuries mostly because they don't understand much about the Druids or their practices. The earliest meaning of the word comes from the Ancient Romans, who labeled them "Druidae" in reference to the white robed order of Celtic priests living in Gaul, Britain and Ireland. They were a well-organized, secretive group who kept no written records and performed their rituals - allegedly including human sacrifice - in oaken groves, all of which interested and horrified the Romans. The order was eventually crushed under the weight of first Roman conquest and then the imposition of

Christianity, and from the remains, centuries of myths, imaginings and dreams were superimposed over the little that was known about the Druids. Not surprisingly, people have come to associate the Druids with what have been imposed. Even today, there is a revived Druidic religious movement that fuses this skeleton of knowledge about the ancient Druids with ideas such as rituals at standing stones (like Stonehenge), nature and sun worship, the carrying of ornate staves, and Arthuriana. Wider popular culture has seen "Druids" - usually some form of secretive nature-priests - in games like Dungeons and Dragons and World of Warcraft, and films like Wicker Man (1973 and 2006) and Druids (2001). The Druids: The History and Mystery of the Ancient Celtic Priests explores the known and unknown about the Druids, from the historical evidence of their existence and practices to the evolution of Druidic concepts over time. This book also looks at the growth of Druidism since the 1700s, along with the practitioners who embrace new ideas and beliefs. Along with pictures and a bibliography, you will learn about the Druids like you never have before, in no time at all.
