*Research Handbook on Intellectual Property in Media and Entertainment* Aug 29 2019 The phenomenal growth of the media and entertainment industries has contributed to a fragmented approach to intellectual property rights. Written by a range of experts in the field, this Handbook deals with contemporary aspects of intellectual property law (IP), and examines how they relate to different facets of media and entertainment.

**Le livre des 7 couronnes** Feb 13 2021 Comment sont apparus les dragons ? Pourquoi le loup est-il l'emblème de la maison Stark ? Quand l'hiver sera-t-il là ? Ce guide répertorie l'histoire et les connaissances sur le Royaume des 7 Couronnes, où savoir les points forts et les points faibles de l'ennemi est souvent une question de survie. Comme l'affirme la Reine Cersei Lannister : «Quand on joue au jeu des Trônes, soit on gagne soit on meurt.» Ce guide aide, dans une première partie, le spectateur de la série Game of Thrones à identifier les personnages, les familles, les villes et territoires, et les comédiens de la série. La seconde partie offre un dictionnaire où sont explicités les sources historiques des lieux, objets et personnages clés de la série, de D comme Dragon et G comme Garde de nuit à M comme Main du roi et W comme Westeros. Un livre pour mieux savourer cette série ancrée dans la brutalité des temps médiévaux mêlant fantastique, sexe et violence.

*Medievalism in A Song of Ice and Fire and Game of Thrones* Dec 02 2019 One of the biggest attractions of George R.R. Martin's high fantasy series A Song of Ice and Fire, and by extension its HBO television adaptation, Game of Thrones, is its claim to historical realism. The author, the directors and producers of the adaptation, and indeed the fans of the books and show, all lay claim to Westeros, its setting, as representative of an authentic medieval world. But how true are these claims? Is it possible to faithfully represent a time so far removed from our own in time and culture? And what does an authentic medieval fantasy world look like? This book explores Martin's and HBO's approaches to and beliefs about the Middle Ages and how those beliefs fall into traditional medievalist and fantastic literary patterns. Examining both books and programme from a range of critical approaches - medievalism theory, gender theory, queer theory, postcolonial theory, and race theory - Dr Carroll analyzes how the drive for historical realism affects the books' and show's treatment of men, women, people of colour, sexuality, and imperialism, as well as how the author and showrunners discuss these effects outside the texts themselves. SHILOH CARROLL teaches in the writing center at Tennessee State University.

**Gewalt, Götter und Intrigen - Die Welt von Game of Thrones** Jun 07 2020 Mit seiner Romanreihe DAS LIED VON EIS UND FEUER hat George R. R. Martin das Tor zu einer bisher ungekannten Fantasywelt aufgestoßen. Die gesellschaftlichen Intrigen und politischen Ränkespiele zwischen den Königshäusern sind unübertroffen perfide und grausam. Dabei verstößt Martin gegen alle gängigen Regeln der Fantasy-Erzählkunst: Hunderte von Charakteren und Dutzende Erzählstränge sowie die plötzlichen Tode beliebter Hauptcharaktere machen es nicht einfach, der Handlung zu folgen. Spätestens mit der Umsetzung als aufwändige Fernsehserie durch HBO hat GAME OF THRONES einen weltweiten Kult ausgelöst, wie es vorher nur Tolkien mit DER HERR DER RINGE geschafft hat. Aber was ist so faszinierend an diesem finsternen Epos? Welche Rolle spielen Sex, Macht und Gewalt in Westeros? Und auf welchen historischen und religiösen Grundlagen basiert die Erzählung wirklich? Journalist und Autor Stefan Servos ist dem Geheimnis des Mythos GAME OF THRONES auf die Spur gegangen.

*e-Pedia: Game of Thrones (season 6)* Aug 10 2020 This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. The sixth season of the fantasy drama television series

Game of Thrones premiered on HBO on April 24, 2016, and concluded on June 26, 2016. It consists of ten episodes, each of approximately 50–60 minutes, largely of original content not found in George R. R. Martin's A Song of Ice and Fire series. Some material is adapted from the upcoming sixth novel The Winds of Winter and the fourth and fifth novels, A Feast for Crows and A Dance with Dragons. The series was adapted for television by David Benioff and D. B. Weiss. HBO ordered the season on April 8, 2014, together with the fifth season, which began filming in July 2015 primarily in Northern Ireland, Spain, Croatia, Iceland and Canada. Each episode cost over \$10 million. This book has been derived from Wikipedia: it contains the entire text of the title Wikipedia article + the entire text of all the 593 related (linked) Wikipedia articles to the title article. **Creating Marketing Magic and Innovative Future Marketing Trends** Jul 09 2020 This volume includes the full proceedings from the 2016 Academy of Marketing Science (AMS) Annual Conference held in Orlando, Florida, entitled Creating Marketing Magic and Innovative Future Marketing Trends. The marketing environment continues to be dynamic. As a result, researchers need to adapt to the ever-changing scene. Several macro-level factors continue to play influential roles in changing consumer lifestyles and business practices. Key factors among these include the increasing use of technology and automation, while juxtaposed by nostalgia and “back to the roots” marketing trends. At the same time, though, as marketing scholars, we are able to access emerging technology with greater ease, to undertake more rigorous research practices. The papers presented in this volume aim to address these issues by providing the most current research from various areas of marketing research, such as consumer behavior, marketing strategy, marketing theory, services marketing, advertising, branding, and many more. Founded in 1971, the Academy of Marketing Science is an international organization dedicated to promoting timely explorations of phenomena related to the science of marketing in theory, research, and practice. Among its services to members and the community at large, the Academy offers conferences, congresses, and symposia that attract delegates from around the world. Presentations from these events are published in this Proceedings series, which offers a comprehensive archive of volumes reflecting the evolution of the field. Volumes deliver cutting-edge research and insights, complementing the Academy’s flagship journals, the Journal of the Academy of Marketing Science (JAMS) and AMS Review. Volumes are edited by leading scholars and practitioners across a wide range of subject areas in marketing science.

**Game of Thrones** Apr 29 2022 Have you ever wanted to wander around King's Landing, stride across the grounds of Winterfell or look out for White Walkers in the frozen wastelands north of The Wall? Do you want to live like lordly Tyrion Lannister, walk in the steps of warrior Jon Snow or gaze across mystical lands like Daenerys Targaryen? HBO's Game of Thrones transports us to glorious fictional worlds via some of the world's most beautiful scenery. This book explores the actual, real-life locations that fire our imaginations - the places that bring to life Winterfell, King's Landing, Dorne, North of The Wall and more. These are all places that you can visit, and this book tells you how. Get the inside track on where to go in Croatia, Iceland, Malta, Morocco, Northern Ireland, Scotland and Spain. Spectacular backdrops and the most breathtaking Medieval cities were painstakingly picked by the Game of Thrones locations team, and you too can walk the very same scenes as Tyrion, Jamie, Jon, Daenerys and Arya. This fully illustrated book tells you where the scenes are set in real life, how to get there, what else to look out for and when to go. It suggests hotels and other major sights, and even lists organised tours if you want to let someone else take up the organisational work for you. This book is a must for any Game of Thrones fan keen to see where the show's location managers and photographers took their inspiration from, and puts all of these places within easy reach. Each location is embellished with photographs, quotes from the show and interviews with crew members, giving you a real 'behind the scenes' look. Paul Oswell is an award-winning journalist and travel writer. He writes for The Guardian and several travel magazines and websites. he has written several guide books to New Orleans, where he lives.

**Cinematic Tourist Mobilities and the Plight of Development** Oct 31 2019 It is said that movies have encroached upon social realities creating tourism enclaves based on distortions of history and heritage, or simulations that disregard both. What localities and nation-states value are discarded, suppressed, or modified beyond recognition in neoliberal markets; thus flattening out human experience, destroying natural

habitats in the name of development, and putting the future of whole ecosystems at risk. Without disregarding such developmental risks Cinematic Tourist Mobilities and the Plight of Development explores how, en route to any beneficial or eco-destructive development, film tourist industries co-produce atmospheres of place and culture with tourists/film fans, local activists, and nation-states. Drawing on international examples of cinematically-induced tourism and tourismophobic activism, Tzanelli demonstrates how the allegedly unilateral industry-driven 'design' of location stands at a crossroads between political structures, systems of capitalist development, and resurgent localised agency. With an interdisciplinary methodological and epistemological portfolio connected to the new mobilities paradigm, this volume will appeal to scholars, students, and practitioners interested in tourism, migration, and urban studies in sociology, anthropology, geography, and international relations.

*Speculative Television and the Doing and Undoing of Religion* Jul 29 2019 This book explores the concept that, as participation in traditional religion declines, the complex and fantastical worlds of speculative television have become the place where theological questions and issues are negotiated, understood, and formed. From bodies, robots, and souls to purgatories and post-apocalyptic scenarios and new forms of digital scripture, the shows examined – from Buffy the Vampire Slayer to Westworld – invite their viewers and fans to engage with and imagine concepts traditionally reserved for religious spaces. Informed by recent trends in both fan studies and religious studies, and with an emphasis on practice as well as belief, the thematically focused narrative posits that it is through the intersections of these shows that we find the reframing and rethinking of religious ideas. This truly interdisciplinary work will resonate with scholars and upper-level students in the areas of religion, television studies, popular culture, fan studies, media studies, and philosophy.

*The Unofficial Guide to Game of Thrones* Oct 04 2022 The everything-you-missed, wanted-to-know-more-about, and can't-get-enough guide to the Game of Thrones television series—from the first episode to the epic finale. Valar morghulis! Spanning every episode across all eight seasons, INSIDER's entertainment correspondent Kim Renfro goes deep into how the show was made, why it became such a phenomenon and explores every detail you want to know. It's the perfect book to look back at all you may have missed or to jump-start you on a second viewing of the whole series. As an entertainment correspondent, Renfro has covered the show's premieres, broken down key details in scenes, explored characters' histories, and interviewed the cast, directors, and crew. In this book, she sheds new light on the themes, storylines, character development, the meaning of the finale, and what you can expect next. Some of the questions answered here include: What was the Night King's ultimate purpose? How did the show effect George R.R. Martin's ability to finish the book series? Why were the final seasons shorter? Why did the direwolves get shortchanged? How were the fates of Jon Snow and Daenerys Targaryen foretold from the start? Was that really a bittersweet ending? Winter may have come and gone, but there is still plenty to discover and obsess over in this behind-the-scenes fan guide to the Game of Thrones HBO series.

**Da könnte ich drauf pinkeln** Sep 10 2020 Alle Katzen sind Künstler – das beweisen ihre abstrakten Haarbälle, die meisterhaft zerrissenen Vorhänge und die präzise Art, wie sie sich auf frisch gewaschener Wäsche drapieren. Doch auch in poetischer Hinsicht sind sie äußerst begabt, wie feinsinnige Gedichte wie "Ich lecke deine Nase", "Das ist mein Sessel" und "Die Tür ist zu" zeigen. Dieses Buch vereint die besten Gedichte, Klagelieder und Weisheiten von Katzen aus aller Welt und offenbart deren heimliche Wünsche, innere Konflikte und alle Eigen- und Unarten ihres neurotischen Wesens. Endlich werden Sie verstehen, warum Ihre Katze liebend gern auf Ihrem Gesicht liegt, bevor die Sonne aufgeht, Ihnen hilft, den Nachttisch mit ihrem Schwanz aufzuräumen und warum sie sich unbedingt versichern muss, dass eine Klopapierrolle tatsächlich 1000 Blatt enthält.
