Paul's letter to the Romans is not just the longest surviving letter from the ancient world. It was also the most dangerous. Paul sent it into Nero's backyard to proclaim that Jesus is Lord and that his readers needed to surrender. It emerges from family life--the kid who says to your face that she prefers her other parent; the father monkeying around in the art gallery; the mother who ""g.

Titus Oct 22 2021 The five letters - from 1 Thessalonians to Titus - form a discipleship training school for anyone who wants God to transform their life. Paul was forced to flee the city of Thessalonica so quickly the he wrote 1 Thessalonians as the first lesson in his discipleship training school, teaching us how to be true converts. He was unable to return so he wrote 2 Thessalonians as a second lesson, which teaches us how to be true warriors. The last three letters were to individual graduates: Titus lays out the syllabus which we need in order to be truly fruitful; 1 Timothy explains how his young graduate can help the Ephesians to become truly mature in their faith and 2 Timothy acts as Paul's final will and testament in which he assures his converts that they are truly ready to continue the work after his death. Straight to the Heart of Jeremiah and

Ezekiel Jul 27 2019 Jeremiah and Ezekiel are among the most neglected treasures of the Bible. They knew that what they said would be unpopular - both then and now - but they also knew that it was God's Word and the only remedy for the problems that were facing the people of God. As a result, Christians today can still discover what God says to a Church in trouble. The truth isn't always popular, but Jeremiah and Ezekiel show us that it's glorious. Iran, the Green Movement and the USA Jan 01 2020 Iran, the Green Movement and the USA presents the paradox that the USA faces in dealing with Iran over its nuclear armament: negotiate, and legitimize Ahmadinejad's otherwise troubled presidency; resort to sanctions or military strikes, and altogether destroy the budding civil rights campaign of the Green Movement. Either way, as leading Iranian scholar Hamid Dabashi argues, the Islamic Republic will become even stronger. Featuring a short history of how the USA and Iran came to be in this confrontation, this elegantly written book provides the reader with a dynamic picture of the regional geopolitics and a purposeful guide to how to understand and deal with it.

Straight to the Heart of Isaiah Jul 31 2022 More than any other book in the Old Testament, Isaiah reveals the depth of God's character, the depth of the Gospel and the depth of God's great plan for world history. Isaiah wants us to know that God is holier than we think (Isaiah 1-12), and to warn us that God is sterner than we think

(Isaiah 13-35). And yet, he also wants to reassure us that God is stronger than we think (Isaiah 40-55), and to call us to action because God is closer than we think (Isaiah 56-66). Isaiah wants his prophecies to kill off our small-minded ideas about God: He wants to open our eyes to the Holy One of Israel; to stretch our minds and blow our senses with the reality of God. Isaiah has good news: God is far bigger than we think. Straight to the Heart of Isaiah is one of a series of devotional commentaries which allows people to get to grips with each book of the Bible one bite at a time. They show us what kind of worship is music to God's ears. The series will cover the whole Bible in 25 volumes to be published through 2015.
