*The Empirical Universe and Beyond* Nov 30 2019 A racy book based on the personal experiences of a retired soldier seeking to find what lies beyond the perceptible universe. Various life-threatening experiences came his way, where he survived by a few centimetres accurate firing from the air, artillery, tanks, and machine guns. Even after retirement, he's had narrow escapes on air, water and land. Numerous other experiences, where the improbable wishes were fulfilled extraordinarily; prophesies made accurate to the last letter and date; clairvoyants who could peep into the long-dead past and the misty future, warning in advance to face the disasters stoically; and many more, compelled him to look beyond and make conjectures based on the findings of the Modern Science and the revelations of the Vedanta. Some truths beyond controlling and regulating the perceptible universe have emerged out; perhaps? Read Empirical Universe and Beyond to find out.

**I Love You, Daddy** May 29 2022 This wonderful book looks at the journey a father took looking for answers after his daughter, Sarah, was killed at the age of fifteen years and ten months old in an automobile accident"trying not to leave any stone unturned as grief and the pain of losing a child engulfed his emotions. This journey took many years and made the author come face-to-face with his own understanding of God. People search their entire lives trying to decide what they truly believe or what so many people they know have proclaimed the truth to be. The final conclusions found in this book will hopefully let you see how great a God we worship, but most of all, how a man or woman can never really understand the awesomeness of the God who created everything. Trying to accept that the God who is beyond all understanding could let a parent's worst fear be realized took the author on a mission to find his version of the truth. The reality was hard to find, and the author spoke with many righteous people who gave their reasoning behind God's plan. Listening to all those who truly believed they know the truth sent the author on a quest for answers that could only be found by coming face-to-face with what the author perceived as God's version.

***Daddy Love*** Aug 20 2021 From the author of *Bellefleur*: A “psychologically incisive” glimpse into the mind of a deranged predator and the boy he abducts to be his son (Booklist). Robbie Whitcomb is five years old when he’s taken from his mother in a mall parking lot. In her attempt to chase the kidnapper, she’s left badly injured and permanently disfigured. Such are the methods of the man who calls himself *Daddy Love*—a man known to the rest of the world as charismatic preacher Chester Cash. For the next six years, Robbie is to be Daddy’s son. That means doing whatever Daddy says—and giving him whatever he wants. Soon Robbie learns to accept his new name, Gideon. He also learns that he is not the first of *Daddy Love*’s sons. And that each of the others, after reaching a certain age, was never seen again. As Robbie’s mother recovers from her wounds, her life and marriage are a daily struggle. But as years go by, she maintains a flicker of hope that her son is still alive. Meanwhile, Robbie approaches the “bittersweet age” with no illusions about his fate. But somewhere within this tortured child lies a spark of rebellion. And he knows all too well what survival requires. “After all these years, Joyce Carol Oates can still give me the creeps.” —Marilyn Stasio, *The New York Times Book Review* “A lean and disturbing tale that reverberates after its ending.” —*The Columbus Dispatch* “Oates makes us squirm as she forces us to see some of the action through *Love*’s twisted and warped perspective.” —*Kirkus Reviews* “This unsettling tale showcases Oates’s masterful storytelling.” —*Publishers Weekly*

***Unquenchable*** Sep 08 2020 *Gloriesla Acquah* has what many might call a happy disposition. She carries an optimistic attitude, and she sees the good in all the people she meets. Her life, though, has been anything but easy. In *Unquenchable*, she shares her story, telling how she expresses happiness in her life because her journey has brought her to a place of gratefulness. This memoir chronicles *Acquah*’s life, sharing how she was conceived during the second Liberian Civil War in Africa, born to a malnourished teenage girl, and struggled with poverty and mental illness. She experienced a life filled with turmoil, obstacles, tensions, frustrations, depression, suicidal thoughts, anger, misery, temptations, mistakes, setbacks, loneliness, tears, negativity, discouragements, betrayals, and hopelessness. In *Unquenchable*, *Acquah* narrates how she was given a cross to carry, but she is grateful for that cross. That cross is a representation and a reflection of what Jesus, her higher power, had to experience to set her free and allow her to share this joy with others.

***You’re Hitched Son!*** Nov 10 2020 On a desperate quest to become legal guardian of her younger sisters, India runs away to find help. In searching to find help, she runs into a loud, cocky bull rider, Chad Watch. She proposes a temporary marriage agreement to gain custody of her sisters. Will India achieve her number one goal—to save her sisters—or will she find disappointment? Chad Watch is a ladies’ man, good-looking, cocky, a professional bull rider, a deputy for the local sheriff’s department, and a womanizer. He loves parties, rodeos, and women. Chad never gave love, family, or children a single thought. But in meeting India, Chad will agree to anything for just one night. Will Chad agree to an everlasting love and a family?

***Daddy Do You Love Me?*** Jan 25 2022 The United States is the world's leader in fatherless families. Marginalized by society into a distant and unemotional role as the family's bread winner, we are only now beginning to understand the devastating effect of emotionally distant fathers on their daughters' health and well-being-- and for some, even on their spirituality. Millions of women have suffered physical and emotional scars due to absent fathers, and have experienced the painful void not having this vital connection has created. Both authors write from personal experience overcoming emotionally distant fathers, offering practical solutions and hope for healing this emotional and spiritual rift. From how to forgive an abusive father, coping with loneliness, to nurturing healthy relationships, and much more-- this book is a tremendously empowering and enriching journey for women out of sadness and pain, breaking a legacy of loneliness and regret, to a renewed hope for their lives. Included are chapter questions, pages for journaling, and a list of counseling resources.

***Dear Zoe || Love Dad: Our Journey through IVF to the NICU to your 1st Birthday*** Dec 24 2021 I began writing to my unborn child as soon as my wife and I decided to have a child. Never could I have imagined what an amazing journey was set in motion. These intensely personal letters capture my hopes and fears as my wife and I progress through the various stages of IVF, our daughter's stay in the NICU, and our first year as a family. From giving my wife daily shots to staring at the various screens monitoring my newborn daughter, the book attempts to capture the emotions of a loving husband and father trying to be the man both his girls need. The book concludes with my honest, unadulterated reflections on having going through IVF and the NICU. My hope is that my candid sharing may help others gain a greater sense of the emotions involved in having an IVF or NICU baby.

***Black Subjects*** Oct 10 2020 Writers as diverse as Carolivia Herron, Charles Johnson, Paule Marshall, Toni Morrison, and Derek Walcott have addressed the history of slavery in their literary works. In this groundbreaking new book, Arlene R. Keizer contends that these writers theorize the nature and formation of the black subject and engage established theories of subjectivity in their fiction and drama by using slave characters and the condition of slavery as focal points. In this book, Keizer examines theories derived from fictional works in light of more established theories of subject formation, such as psychoanalysis, Althusserian interpellation, performance theory, and theories about the formation of postmodern subjects under late capitalism. *Black Subjects* shows how African American and Caribbean writers' theories of identity formation, which arise from the varieties of black experience re-imagined in fiction, force a reconsideration of the conceptual bases of established theories of subjectivity. The striking connections Keizer draws between these two bodies of theory contribute significantly to African American and Caribbean Studies, literary theory, and critical race and ethnic studies.

***EVELINA*** Oct 29 2019 A suspenseful romantic action-packed thriller. A gorgeous young lady turned Most Wanted. A romantic trip and a love to die for. A hidden secret. An evil brutal regime practicing a cult they believe existed even before God created the world. Until the regime is stopped life is on the line. A must read. ABOUT THE SERIES *EVELINA* A secret cult that existed even before this world was created is still at the center of murder a thousand years later. A ruthless regime is using this cult to run rampage and havoc. A corrupt and evil world where murder is the norm. A place so dark and scary where they all come out in numbers where they are slaughtered in thousands. A place where they are naked:-no rights, hopes, or anything to hang on to. A place where the only hope and courage is the heart-engraved-belief that someone will solve God's Dilemma and rise to save humanity. A pledge to fight to the death because the sole existence of the regime is to restore the lost kingdom of darkness at humanity's expense. Where restoring it means slaughtering two-thirds of the world's population in 48 hours known as the 48 Hours of Darkness. It's a story of great courage in the face of death. The rise of Tomorrow's World Order citing the system as the root of all evil setting a collision course with the regime. The suspenseful questions are when and of what magnitude will the collision be and the devastating outcome? Will the regime allow a system change? Where stakes are high and the regime will defend the system at any cost will they succeed and at what cost? How can mankind survive the most feared devil's ghosts? Are you to be the lucky few to be spared in the 48 hours of darkness? Is mankind doomed or there is hope? What is God's Dilemma and can it really be solved? Unless God's Dilemma is solved mankind is doomed. A race against time where it's a matter of life or death for the strongest men let alone for *Evelina* caught up in all this. Will she survive the greatest manhunt since the world was created with everyone after her with the most powerful man demanding her too? Only one way to find out. Get this book right now.

**Dear Dad, Love Laurie** Apr 15 2021 After her father moves away, Laurie sends her love by mail The scariest thing Laurie has ever seen is a half-empty house, which she discovered the day her dad moved away. The divorce was a long time coming, but that didn't make it hurt any less. To stay in touch with her father, Laurie's mom forces her to write him a letter each week, keeping him updated on everything from quizzes and tests to parties and boys. At first, the letters are a chore, a painful reminder that Dad isn't around anymore, but with every stamp she licks, Laurie finds herself growing up just a little bit more. This remarkable novel, told entirely through Laurie's letters to her father, is a powerful story of divorce and renewal that proves it's not impossible to love someone from afar.

**Daddy's Kitten** Sep 28 2019 A suffering innocent. A grieving gangster. Can their love fill them up so they'll never feel empty again? Jessica: I'm trailer trash, and he's what passes for royalty in Briarville. With a barren bank account, and nowhere to go, the rumble of a voice in the grocery store hits me in a way that ramps up my pulse and makes it impossible to steady myself. My mind is a crazy mixture of fear, yes... but the powerful, well-muscled body that passes me and walks through the front doors fills me with something like hope. And that's a delight I almost didn't recognize. Turns out, he's been observing me all along, but my eyes were too fixed on the ground to ever notice. That same day, he plucks me out of my bargain basement existence, away from my deceiving father. I've got a new life now, and it seems all my dreams have come true. At Lorenzo's side, every shadow is erased from my heart. He takes me to a secret rooftop hideaway, where the stars run the show, and nothing disrupts their peace as they beam their sparkles down to the river. Only the tentacles of time are far-reaching and fearless, threatening to yank me backwards into the world that once squashed my soul. Can I escape? Or will the chains of my past drag me below the surface, drowning me in misery and squalor again? If so, my daddy will be banished back to his old life — one full of danger. As soon as my actions return him to the scene of the crime, there will be a penalty. If I'm no longer his, that will be punishment enough. But what if a deadly assassin is the only one who can save me? Author Note: If you crave tingly feels, HEAs and love stern but doting book boyfriends, scroll up the page to the buy button to dive right in! This book is a standalone in the Lost Coast Daddies Series and ties into the Rough Redemption, Mafia Romance Series by USA Bestselling Author, Olivia Fox.

**I Still Love You Daddy!** Jan 01 2020

**I Love You, Daddy** Dec 12 2020 Brazil is made up of many pieces of a Brazil, which, I believe, has only one common place: Its humble people. And this Brazil, so diverse, has its most real synthesis in these people, historically, religiously and socially speaking. Brazil can only be told, with precision and impartiality, by those mouths which in this book exclaim: I LOVE YOU DAD. The book starts its narrative from the Brazilian society, divided between the inexact notion of what slavery had been, and the complete social disorganization that Abolition provoked in the Brazilian social classes. Throughout the narrative, characters are born and merge with others, in a clear process of the philosophy that believes in the presumed incarnations, forming a legacy, where the family unit is the masterpiece, and which remains cohesive throughout time. In the year 1968, in the middle of the political and social effervescence of a country plunged into the darkness of the dictatorship, the central character is born. And the difficulties of the most humble people increased exponentially, as the country demanded increasing costs. Meanwhile, our character grew, on the outskirts of the city, by the periphery of society... And grow, until he finds the cruelest path of withering: Drugs, licit and illicit. Soon, a succession of predictable facts begins, in a sort of Tupiniquin thriller, where thefts, robberies, and various other criminal illicit acts sustain addictions, needs, and hopes. Life went on like this, without direction. Until fate — always fate — brings our Quixote face to face with two forms of human sensitization: Art and Religion. One pulling the other and both pulling him toward himself. A personal reorganization was beginning, but soon it would be overthrown by the facts that make, of all humble people, an example of the results of the system. And again the decline, again the gutter. But... I was talking about humble people, right? And of the truth that the stories, passed from mouth-to-mouth, gave to History... Paulinho Dhi Andrade Well then... Our character reveals himself to be, in truth, a continuation of previous characters, who in successive rebirths make a personal and family commitment to survival and narrative. For him, death is just a moment to be passed. And the past... is the present repagined.

**The Grandparents Club** Jul 27 2019 The grandparents in every family speak in a language that only their family can comprehend yet they are educated and professionals too. Grandparents are usually the only people that are capable of picking up the pieces and putting them back together when all hope is lost in any family. They never throw anything away and they have been into recycling long before it became an issue. They have their share of pain, trials and tribulations. They have issues within their own family that causes them to sometimes separate for a season. They disagree and agree to disagree. It is a battle when a family of different personalities and opinions gather together in one room. The issues of respect, morals and values surface too. No matter what comes up and out the mouths of these bonded individuals their love and strength keeps them tied together as a family.

**Dear Dad** Apr 03 2020 If you could tell your dad anything, what would it be? Steve Waugh, Trent Dalton, Samuel Johnson, Kathy Lette, John Williamson, Susie Youssef, Michala Banas, Glenn Shorrock, Matilda Brown, Joel Creasey, Shannon Noll, Michelle Law, Ben Gillies, Hilde Hinton, Normie Rowe, Mark Brandi, Brian Mannix, Julie Koh, Sara Storer, Russell Morris, Catherine Deveny, Sophie Green, Brooke Davis, Toni Tapp Coutts, Clare Wright, Danny Green, John Paul Young, Kurt Fearnley and many more ... A heartfelt, honest and very human book of letters that will make you smile and make you cry. It is the perfect gift for the dad in your life. And a reminder to say how you feel before it is too late.

**I Forgive You Daddy** Jan 13 2021 I Forgive you Daddy; I Love You Anyway is a heartening book that explores a little girl's struggle to understand why her friends have their moms and dads in their lives while her dad is absent from her life. Her mother attempts to reassure her that her father's absence is not her fault, and that she should forgive him and continue to love him in his absence. Will she learn to love and forgive him in spite of her feelings or will she hold on to her fears and insecurities, all the while resenting the one that helped to bring her into this world? Is his absence her fault and how should she deal with it?

**Ruins of the Mind** Jun 25 2019 In Ruins of the Mind, Jason Statlander examines friendship, love, family, tragedy, and American culture throughout this collection of contemporary short fiction. His poignant words touch on—and make us question—what it means to be human, the ups and downs that connect and affect us all, and how family is the rock that will get us through. Highlighted stories include: Feathers in the Wind: Jake boards an airplane for a fateful flight while traveling home to make his daughter's birthday. The Ter'roc: Fourteen-year-old Heidi seeks adventure and makes the discovery of a lifetime when she follows her curiosity through a storm drain. Surviving the Messengers: Ashley and her father Chris are dealing with the loss of her mother and need to find the strength to battle a fantastical foe. In the Shadows of a Moment: Five-year-old Frankie sets off for a birthday party on a rainy day with his father Howard, and the ensuing day leads to a shocking discovery. Downward Spiral: In this moving commentary on the American economy, Dominic loses his job and his family, sending his life into a tailspin. Springtime Roses: Rose goes to a routine doctor's appointment and receives shocking news that changes her and her family's life. Other stories in this collection: The Lantern, The Glass Pyramid, Chance—"Don't Lose Your Head," The Sheadroch, The Talasum, and The Journals.
