Walton-Verona Jun 25 2019 Nestled among the rolling hills of southern Boone County, Walton and Verona have existed side by side since the early 19th century. Walton's first post office, known as Gaines Crossroads, was established in 1815 and named after the Abner Gaines family that owned most of the land. Colonel Gaines owned the first stagecoach line on the road between Cincinnati and Lexington, using his sprawling Federal-style mansion as a tavern and inn for travelers. Both communities grew after the Louisville and Nashville Railroad came through in 1869, and with the addition of the Cincinnati Southern Railroad in 1877, Walton became the largest town in Boone County. Bypassed in growth by its neighbor Florence, Walton spent many years as a small town while Verona remained a farming community until the two were joined together by the consolidation of their school districts. As Boone County has become one of the fastest growing counties in Kentucky, both Walton and Verona are growing from their pasts toward a successful future.

Sam Walton's Way Jan 13 2021 It would be difficult to overstate the impact Sam Walton had on American business, specifically retailing. The standalone box stores he pioneered have quite literally changed the nation's landscape. His innovations in supply-chain management and distribution totally reshaped the relationship between suppliers and retailers, and, for the most part, took wholesalers out of the equation. His insistence on low prices altered customers' expectations of what they will have to pay for everything from socks to soda. Like few business leaders before or since, Sam Walton changed the world. Saturday, August 14, 1964 was a broiling hot day in Harrison, Arkansas—but the heat was the last thing on Sam Walton's mind. For the 46-year-old Walton, this was a big day: the grand opening of his second Wal-Mart. He was going to make damn sure it was a big success. He'd planned everything. In the parking lot, he'd had two truckloads of watermelons delivered and hired a donkey to provide rides for the kids. He headed outside to greet his first customers. What he saw would make most entrepreneurs lose their cool: The watermelons had burst, and donkey dung littered the lot. Walton's reaction was emblematic of his ability to rise above any challenge. He ignored the mess, smiled, walked up to the crowd, stuck out his hand, and said, "Welcome to Wal-Mart." That focus on customers is Walton's prime leadership lesson. But there are many others, beginning with his obsession with low prices—just the first step in a mission to deliver unbeatable value....
