The Cumberland Mountain Trilogy, Volume 3 - The Sheriff of Hell's Murder Case Jun 20 2021 The Sheriff of Hell's Murder Case is the final novel in Dr. Jack Justin Turner's highly-acclaimed Cumberland Mountain Trilogy. With a mangled arm, and with his long-barreled Luger close at hand, Sheriff Jacob Newton Herald must muster all the cunning and courage that saw him through The Great War to survive the sometimes savage place he calls home. Jake, as he is known by both friend and foe, has been described as a combination of Hamlet and Dirty Harry – but in this last volume Jake exhibits a quite different and endearing personality, when he makes two of the most important decisions of his life. Part murder mystery and part magnificent love story, *The Sheriff of Hell's Murder Case* again demonstrates Dr. Turner's powerful and insightful explanation of character and locale, in a page-turner that is perhaps unparalleled in modern Appalachian fiction. Turner obviously knows and loves the setting and its inhabitants and puts the lie to the work of a litany of literary carpetbaggers. As one reviewer put it, "Jack Justin Turner's voice rings so true that one might think the author is actually channeling the spirits of his early twentieth century characters. Seldom does a book transport a reader so surely to another place and time." Keywords: Romance, Revenge, Action, History, War, Kentucky, Herald, Fiction, Iron Fist, Mystery, Veteran

Blood Revenge: Murder on the Hawkesbury 1799 Jul 22 2021 *Blood Revenge* examines the first time that white men were held to account in a criminal court of New South Wales for killing Australian Aborigines. It happened in 1799, just 11 years after the New South Wales colony began. This book answers the disturbing question: Why were five men found guilty of killing two Aborigines—yet they were never punished? The story lays bare the nature of black-white relations at the colony's Hawkesbury River frontier settlement. Governor John Hunter tried to carry out his orders and stop the wanton killing of Aborigines. Inevitably, there was a divide between policy and practice. In *Blood Revenge* the politics of this murder case reads like a missing chapter of Doc Evatt's *Rum Rebellion*.

Mutiny or Murder? May 20 2021 On 15 March 1817 the convict ship the *Chapman* departed from Cork with 200 male prisoners on board. When it dropped anchor off Sydney Cove four months later, its prison doors opened to reveal 160 gaunt and brutalised men. Twelve were dead and twenty-eight lay wounded in the hospital below deck. As officials pieced together the horrors of the voyage many questions arose. Why did Michael Collins claim that his fellow convicts conspired to take the ship? Why was Captain Drake unable to rein in the violent and sadistic Third Mate Baxter? Was there really an attempted mutiny on the *Chapman*? Or was this cold-blooded murder? Using daily journals from the crew, detailed testimony from several convicts and official colonial government correspondence, this book unravels what happened during those four months at sea. Tarnished by intrigue, suspicion and mutual hatred, this is the story of one of the darkest episodes in the history of penal transportation between Ireland and Australia.

Murder by the Book Oct 13 2020 Early in the morning of 6 May 1840, on an ultra-respectable Mayfair street, a footman answered the door to a panic-stricken maid from a nearby house. Her elderly master, Lord William Russell, was lying in bed with his throat cut so deeply that the head was almost severed. The whole of London, from monarch to street urchins, was gripped by the gory details of the Russell murder, but behind it was another story, a work of fiction, and a fierce debate about censorship and morality. Several of the key literary figures of the day, including Dickens and Thackeray, were drawn into the controversy, and when Lord William's murderer claimed to have been inspired by the season's most sensational novel, it seemed that a great deal more was on trial than anyone could have guessed. Bringing together much previously unpublished material from a wide range of sources, Claire Harman reveals the story of the notorious Russell murder case and its fascinating connections with the writers and literary culture of the day. Gripping and eye-opening, *Murder by the Book* is the untold true story of a surprisingly literary crime.

Murder of the Doctor's Wife: The 1867 Crimes of Bridget Durgan (A Historical True Crime Short) Nov 25 2021 From R. Barri Flowers, award-winning criminologist and bestselling author of *Murder During the Chicago World's Fair*, *Murder at the Pencil Factory*, and *Murder of the Banker's Daughter*, comes the riveting historical true crime short, *Murder of the Doctor's Wife: The 1867 Crimes of Bridget Durgan*. On the evening of Monday, February 25, 1867, Mary Ellen Coriell was brutally murdered at her home in Newmarket, New Jersey. The cold-blooded nature of the murder was shocking enough for residents of the town and elsewhere, but even more disturbing was that the culprit turned out to be the victim's housemaid, an attractive young Irishwoman named Bridget Durgan. The circumstances surrounding the murder—including jealousy, obsession, and delusion—were as old as time itself. The crime would come at a very steep price for the murderess who would be executed for the heinous act. The death of Mary Ellen Coriell also weighed heavily on the object of Bridget's affections, the heartbroken victim's husband, Dr. William Coriell, who would be left to care for the couple's young daughter alone. The unspeakable tragedy would also be felt throughout the community for many years to come. The sad tale of Mary Ellen Coriell's untimely demise at the hands of someone she trusted and was ultimately betrayed by is a must for students of history, true crime, and homicide. A complete bonus story, *Murder of the French Lover*, chronicles the May 21, 1892, scandalous murder of Madame Lassimonne in Paris, France, by romantic rival, Claire Reymond, and its stunning outcome. Barri Flowers' bestselling true crime shorts, *Murder During the Chicago World's Fair*, *Dead at the Saddleworth Moor*, *Missing or Murdered*, and an excerpt from the author's true crime book, *Serial Killers and Prostitutes*. Murder Among Friends Jul 30 2019 How did two teenagers brutally murder an innocent child...and why? And how did their brilliant lawyer save them from the death penalty in 1920s Chicago? Written by a prolific master of narrative nonfiction, this is a compulsively readable true-crime story based on an event dubbed the "crime of the century." In 1924, eighteen-year-old college students Nathan Leopold and Richard Loeb made a decision: they would commit the perfect crime by kidnapping and murdering a child they both knew. But they made one crucial error: as they were disposing of the body of young Bobby Franks, whom they had bludgeoned to death, Nathan's eyeglasses fell from his jacket pocket. Multi-award-winning author Candace Fleming depicts every twist and turn of this harrowing case—how two wealthy, brilliant young men planned and committed what became known as the crime of the century, how they were caught, why they confessed, and how the renowned criminal defense attorney Clarence Darrow enabled them to avoid the death penalty. Following on the success of such books as *The Rise and Fall of Charles Lindbergh* and *The Family Romanov*, this acclaimed nonfiction writer brings to heart-stopping life one of the most notorious crimes in our country's history.

Bloody Murder Dec 03 2019 "Off with her head!" decreed the Queen of Hearts, one of a multitude of murderous villains populating the pages of children's literature explored in this volume. Given the long-standing belief that children ought to be shielded from disturbing life events, it is surprising to see how many stories for kids involve killing. *Bloody Murder* is the first full-length critical study of this pervasive theme of murder in children's literature. Through rereadings of well-known works, such as *Alice's Adventures in Wonderland*, the *Nancy Drew Mystery Stories*, and *The Outsiders*, Michelle Ann Abate explores how acts of homicide connect these works with an array of previously unforeseen literary, social, political, and cultural issues. Topics range from changes in the American criminal justice system, the rise of forensic science, and shifting attitudes about crime and punishment to changing cultural conceptions about the nature of evil and the different ways that murder has been popularly presented and socially interpreted. *Bloody Murder* adds to the body of inquiry into America's ongoing fascination with violent crime. Abate argues that when narratives for children are considered along with other representations of homicide in the United States, they not only provide a more accurate portrait of the range, depth, and variety of crime literature, they also alter existing ideas about the meaning of violence, the emotional appeal of fear, and the cultural construction of death and dying.

Partial Defences to Murder Jan 16 2021 Following on from an earlier consultation paper by the Law Commission (Consultation paper 173, ISBN 0117302597) published in October 2003, this report makes recommendations on the law and practice of the partial defences to murder of diminished responsibility and provocation, as covered by the Homicide Act 1957, with particular regard to domestic violence situations. It also considers whether there should be a partial defence to murder in cases involving the use of excessive force in self-defence. Appendices include sections detailing: research into the ways in which the law of provocation and diminished responsibility are working; a brief empirical survey of public opinion relating to partial defences to murder; a synopsis of sample cases of female defendants convicted of murder; and a sociological history of provocation and diminished responsibility.

The Murder of Rosa Luxemburg Feb 03 2020 On the tracks of the killers of Rosa Luxemburg The cold-blooded murder of revolutionary icons Rosa Luxemburg and Karl Liebknecht in the pitched political battles of post-WWI Germany marks one of the greatest tragedies of the 20th century. No other political assassination inflamed popular passions and transformed Germany's political climate as that killing in the night of 15-16 January 1919 in front of the luxurious Hotel Eden. It not only cut short the lives of two of the country's most brilliant political leaders, but also inaugurated a series of further political assassinations designed to snuff out the revolutionary flame and, ultimately, pave the way for the ultra-reactionary forces that would take power in 1933. To commemorate the 100th anniversary of their untimely deaths, Klaus Gietinger has carefully reconstructed the events on that fateful night, digging deep into the archives to identify who exactly was responsible for the murder, and what forces in high-placed positions had a hand in facilitating it and protecting the culprits.

Mass Murder in the Sky: The Bombing of Flight 629 (Historical True Crime Short) Dec 27 2021 *Mass Murder in the Sky: The Bombing of Flight 629* is a 7,063 word historical true crime story about mass killer, Jack Gilbert Graham. It tells the shocking story of hatred, revenge, mass murder, terrorism, and a bizarre dynamite bomb Christmas gift that brought a plane down in the Colorado sky more than half a century ago, killing all forty-four passengers and crew, and the intense investigation that resulted in bringing the killer to justice. On November 1, 1955, United Air Lines Flight 629 took off from Denver, Colorado's Stapleton Airfield en route to Portland, Oregon. Eleven minutes into the flight, there was a tremendous explosion that ended the lives of everyone aboard the ill-fated airliner. A coordinated effort between law enforcement agencies, Civil Aeronautics Board investigators, and United Air Lines officials led to identifying the killer as Jack Graham, whose very own mother was aboard the plane and targeted to die. The truth is certainly far more frightening than fiction as this tale will attest to... Bonus material includes a complete tale on British serial killers, Ian Brady and Myra Hindley by R. Barri Flowers from his true crime anthology, *SERIAL KILLER COUPLES: Bonded by Sexual Depravity, Abduction, and Murder*; and excerpts from the author's bestselling true crime classic, *THE SEX SLAVE MURDERS: The True Story of Serial Killers Gerald and Charlene Gallego*.
