[Soldier Girls](#) Sep 22 2021 Describes the experiences of three women soldiers deployed to Afghanistan and Iraq to reveal how their military service has affected their friendship, personal lives and families, detailing the realities of their work on bases and in war zones and how their choices and losses shaped their perspectives.

Thirty Years Hence Jul 29 2019 A story of two women in NYC in 1973: Michelle Cooper, age twenty three, is despairing and without direction, having barely survived the turbulent household of her parents, and her own adolescent foray into sixties' hippiedom. Forty-something Ida Birnbaum, a Queens, NY wife and mother, and survivor of Auschwitz concentration camp, thirty years later battles her own malaise during a serious and potentially damaging midlife crisis. Like many folks during the so-called "Me Decade", both Michelle and Ida indulge in hedonistic and self-destructive activities and then must deal with the consequences. They each turn for support to their evolving friendship and to characters such as Theo, an idealistic young immigrant who lives in an Upper West Side SRO hotel and works for a telephone prayer service run by Charles, another Holocaust survivor, and self-fashioned spiritual guru. Both Michelle and Ida, Ida's husband, and even Paul, a white supremacist who stalks Michelle after a one-night stand, seek psychological healing via another of Charles' creations. The Rogan Treatment Program is a unique process wherein participants "experience" the Holocaust and, through a kind of aversion therapy, conquer their respective individual demons. Since childhood, the author has had the parallel interests of psychology and writing/literature. After spending her twenties writing and earning a living at menial jobs, she spent the next thirty or so years as a psychotherapist and social worker, finding time to write whenever possible. Now retired, Ms. Beck-Clark hopes for her writing to have the same positive impact as her work as a clinician. Her writing career began with the publication of several nonfiction articles. In 1999 her creative nonfiction book, *Concurrent Sentences: A True Story of Murder, Love and Redemption*, was published by New Horizon Press. A screenplay adaptation is in process. She's recently published flash fiction and essays online, along with a paperback poetry collection, *The Zen of Forgetting*. *Thirty Years Hence* is her second novel; the first remains unpublished, and the third is underway. The author lives with her adult special needs son in Yonkers, New York. Keywords: Seventies, Me Generation, Holocaust, Drug Use, Self-help Groups, White Supremacy, Pre-DNA Pregnancy, New York City, Friendship, Women's Movement

[Stranded in the Jungle](#) Oct 24 2021 (Book). Here is the story of an often overlooked, one-of-a-kind rock 'n' roll musician and the historic times he lived in. In spite of numerous opportunities for success, he became a tragedy. Jerry Nolan came out of New York in the 1970s as part of two of the most influential and infamous bands of the time, the proto-punk New York Dolls and Johnny Thunders' Heartbreakers. Jerry had what it took to be a star, but his battles with heroin continually stymied his career and ultimately ended his life. Despite this, he is remembered as a cross between a Martin Scorsese film character and jazz legend Gene Krupa: a stylish, urban, wisecracking, trendsetting raconteur, who was also a powerhouse drummer. *Stranded in the Jungle: Jerry Nolan's Wild Ride A Tale of Drugs, Fashion, the New York Dolls, and Punk Rock* tells Jerry's story through extensive research and interviews with those closest to him: bandmates, friends, lovers, and family members, including new interviews with members of Rock and Roll Hall of Fame bands the Sex Pistols, the Ramones, Talking Heads, and Blondie. It gives firsthand accounts of not only Jerry's life and struggles but the earliest history of punk rock in both New York and London, highlighting his notorious and incendiary musical partner, Johnny Thunders.

A Paris Apartment Aug 02 2022 Bienvenue à Paris! When April Vogt's boss tells her about an apartment in the ninth arrondissement that has been discovered after being shuttered for the past seventy years, the Sotheby's continental furniture specialist does not hear the words "dust" or "rats" or "decrepit." She hears Paris. She hears escape. Once in France, April quickly learns the apartment is not merely some rich hoarder's repository. Beneath the cobwebs and stale perfumed air is a goldmine, and not because of the actual gold (or painted ostrich eggs or mounted rhinoceros horns or bronze bathtub). First, there's a portrait by one of the masters of the Belle Epoque, Giovanni Boldini. And then there are letters and journals written by the very woman in the painting, Marthe de Florian. These documents reveal that she was more than a renowned courtesan with enviable décolletage. Suddenly April's quest is no longer about the bureaux plats and Louis-style armchairs that will fetch millions at auction. It's about discovering the story behind this charismatic woman. With the help of a salty (and annoyingly sexy) Parisian solicitor and the courtesan's private diaries, April tries to uncover the many secrets buried in the apartment. As she digs into Marthe's life, April can't help but take a deeper look into her own. Based on real events, Michelle Gable's *A Paris Apartment* will entertain and inspire, as readers embrace the struggles and successes of two very unforgettable women.

Murder City Mar 29 2022 Like the mythic cities of Gotham or Gomorrah, London, Ontario was for many years an unrivalled breeding ground of depravity and villainy, the difference being that its monsters were all too real. In its coming to inherit the unwanted distinction of being the serial killer capital of not just Canada—but apparently also the world during this dark age in the city's sordid history—the crimes seen in London over this quarter-century period remain unparalleled and for the most part unsolved. From the earliest documented case of homicidal copycatting in Canada, to the fact that at any given time up to six serial killers were operating at once in the deceptively serene "Forest City," London was once a place that on the surface presented a veneer of normality when beneath that surface dark things would whisper and stir. Through it all, a lone detective would go on to spend the rest of his life fighting against impossible odds to protect the city against a tidal wave of violence that few ever saw coming, and which to this day even fewer choose to remember. With his death in 2011, he took these demons to his grave with him but with a twist—a time capsule hidden in his basement, and which he intended to one day be opened. Contained inside: a secret cache of his diaries, reports, photographs, and hunches that might allow a new generation of sleuths to pick up where he left off, carry on his fight, and ultimately bring the killers to justice—killers that in many cases are still out there. *Murder City* is an explosive book over fifty years in the making, and is the history of London, Ontario as never told before. Stranger than fiction, tragic, ironic, horrifying, yet also inspiring, this is the true story of one city under siege, and a book that marks a game changer for the true crime genre.

Through the Rain Oct 12 2020 In a motel room on the east side of the city, a little girl is brutally murdered by her mother's sadistic boyfriend for failing to know her ABCs. The family disappears, along with the child's body, and the scene of the crime spans over 1,000 miles. Despite the lack of a body, the detectives of the 1020 Squad obtain a conviction but it will take another eight long years before the little girl's remains come home to rest. In a twist of fate, the 1020 Squad no sooner closes the final chapters of this case when the headless body of a tiny girl is found discarded in a makeshift dump site in the woods Sgt. David Bernard and the 1020 Squad will work over four years, following 1,500 leads and conducting the single largest area canvass in the history of the Kansas City, Missouri Police Department before finding the true identity of the seemingly orphaned little girl known only as "Precious Doe". Through the Rain is a candid and touching account of the painful impact that these brutal murders had on Sgt. Bernard, his family and the KCPD's 1020 squad. It chronicles the all too frequent stories of child abuse, failed social services, a flawed court system, and battered women who sacrificed their own children to shield their abusive lovers, echoing the same preposterous explanations of "...but I love him". It is the story of a family, a group of committed volunteers and a community who reached out to embrace Angel Lea Hart and Erica Michelle Marie Green aka Precious Doe and give them in death the humanity and affection they so desperately deserved in life.
