[The Roots of the Reformation](#) May 19 2021 G. R. Evans revisits the question of what happened at the Reformation. She argues that the controversies that roiled the era are part of a much longer history of discussion and disputation. By showing us just how old these debates really were, Evans brings into high relief their unprecedented outcomes at the moment of the Reformation.

Synopsis Purioris Theologiae / Synopsis of a Purer Theology Apr 05 2020 The *Synopsis Purioris Theologiae* (1625) represents Reformed theology as it was conceived in the first decades of the seventeenth century. The disputations of this second volume cover topics such as Predestination, Christology, Faith and Repentance, Justification and Sanctification, and Ecclesiology.

Women's Liberation! Feb 02 2020 Two pioneering feminists present a groundbreaking collection recovering a generation's revolutionary insights for today. When Betty Friedan published *The Feminine Mystique* in 1963, the book exploded into women's consciousness. Before the decade was out, what had begun as a campaign for women's civil rights transformed into a diverse and revolutionary movement for freedom and social justice that challenged many aspects of everyday life long accepted as fixed: work, birth control and abortion, childcare and housework, gender, class, and race, art and literature, sexuality and identity, rape and domestic violence, sexual harassment, pornography, and more. This was the women's liberation movement, and writing—powerful, personal, and prophetic—was its beating heart. Fifty years on, in the age of #MeToo and Black Lives Matter, this visionary and radical writing is as relevant and urgently needed as ever, ready to inspire a new generation of feminists. Activists and writers Alix Kates Shulman and Honor Moore have gathered an unprecedented collection of works—many long out-of-print and hard to find—that catalyzed and propelled the women's liberation movement. Ranging from Friedan's *Feminine Mystique* to *Backlash*, Susan Faludi's Reagan-era requiem, and framed by Shulman and Moore with an introduction and headnotes that provide historical and personal context, the anthology reveals the crucial role of Black feminists and other women of color in a decades long mass movement that not only brought about fundamental changes in American life—changes too often taken for granted today—but envisioned a thoroughgoing revolution in society and consciousness still to be achieved.

Religion, Culture and National Community in the 1670s Oct 24 2021 A significant collection of essays by leading scholars on the vital decade of the 1670s in Britain, Ireland and North America. This was a period of profound tension and uncertainty (culminating in the exclusion crisis of 1678-83), in which the 1660s restoration settlement began to break down, and debates came to seem much more complex and ambiguous than the earlier simple polarity between royalist Anglicanism and a radical, non-conformist opposition. New issues included the disturbing prospect of open catholicism at court, realisation that religious dissent would not simply be persecuted out of existence, confusion over the correct response to the rise of Louis XIV's France on the continent, the evident emergence of public opinion in the form of the press and coffee house culture;, new questions about the proper relationship between England, Ireland, Scotland and the North American colonies, and refashionings of national identities connected to all these issues. These essays explore the political, cultural and religious turbulence which resulted; and break new ground in the interdisciplinary study of the newly confusing, but highly innovative world. Taken together they suggest the 1670s was a crucial period in the emergence of 'modern' assumptions and concerns.

The Libertine Colony May 31 2022 Presenting incisive original readings of French writing about the Caribbean from the inception of colonization in the 1640s until the onset of the Haitian Revolution in the 1790s, Doris Garraway sheds new light on a significant chapter in French colonial history. At the same time, she makes a pathbreaking contribution to the study of the cultural contact, creolization, and social transformation that resulted in one of the most profitable yet brutal slave societies in history. Garraway's readings highlight how French colonial writers characterized the Caribbean as a space of spiritual, social, and moral depravity. While tracing this critique in colonial accounts of Island Carib cultures, piracy, spirit beliefs, slavery, miscegenation, and incest, Garraway develops a theory of "the libertine colony." She argues that desire and sexuality were fundamental to practices of domination, laws of exclusion, and constructions of race in the slave societies of the colonial French Caribbean. Among the texts Garraway analyzes are missionary histories by Jean-Baptiste Du Tertre, Raymond Breton, and Jean-Baptiste Labat; narratives of adventure and transgression written by pirates and others outside the official civil and religious power structures; travel accounts; treatises on slavery and colonial administration in Saint-Domingue; the first colonial novel written in French; and the earliest linguistic description of the native Carib language. Garraway also analyzes legislation—including the Code noir—that codified slavery and other racialized power relations. The Libertine Colony is both a rich cultural history of creolization as revealed in Francophone colonial literature and an important contribution to theoretical arguments about how literary critics and historians should approach colonial discourse and cultural representations of slave societies.

Einführung in die grammatische Beschreibung des Deutschen Aug 22 2021 Einführung in die grammatische Beschreibung des Deutschen ist eine Einführung in die deskriptive Grammatik am Beispiel des gegenwärtigen Deutschen in den Bereichen Phonetik, Phonologie, Morphologie, Syntax und Graphematik. Das Buch ist für alle geeignet, die sich für die Grammatik des Deutschen interessieren, vor allem aber für Studierende der Germanistik bzw. Deutschen Philologie. Im Vordergrund steht die Vermittlung grammatischer Erkenntnisprozesse und Argumentationsweisen auf Basis konkreten sprachlichen Materials. Es wird kein spezieller theoretischer Rahmen angenommen, aber nach der Lektüre sollten Leser in der Lage sein, sowohl deskriptiv ausgerichtete Forschungsartikel als auch theorienahe Einführungen lesen zu können. Das Buch enthält zahlreiche Übungsaufgaben, die im Anhang gelöst werden. Die zweite Auflage ist vor allem auf Basis von Rückmeldungen aus Lehrveranstaltungen entstanden und enthält neben zahlreichen kleineren Korrekturen größere Überarbeitungen in der Phonologie.

A Companion to English Renaissance Literature and Culture Jul 21 2021 This is a one volume, up-to-date collection of more than fifty wide-ranging essays which will inspire and guide students of the Renaissance and provide course leaders with a substantial and helpful frame of reference. Provides new perspectives on established texts. Orientates the new student, while providing advanced students with current and new directions. Pioneered by leading scholars. Occupies a unique niche in Renaissance studies. Illustrated with 12 single-page black and white prints.

Reforming Protestantism Apr 17 2021 Reformed Protestantism has undergone drastic changes

throughout its history in America. Although it has become less prominent in American society, Otatti reminds us that this particular Christian movement with its particular characteristics is still a dynamic and important witness to our world.

A New History of French Literature Jan 03 2020 Designed for the general reader, this splendid introduction to French literature from 842 A.D.—the date of the earliest surviving document in any Romance language—to the present decade is the most compact and imaginative single-volume guide available in English to the French literary tradition. In fact, no comparable work exists in either language. It is not the customary inventory of authors and titles but rather a collection of wide-angled views of historical and cultural phenomena. It sets before us writers, public figures, criminals, saints, and monarchs, as well as religious, cultural, and social revolutions. It gives us books, paintings, public monuments, even TV shows. Written by 164 American and European specialists, the essays are introduced by date and arranged in chronological order, but here ends the book's resemblance to the usual history of literature. Each date is followed by a headline evoking an event that indicates the chronological point of departure. Usually the event is literary—the publication of an original work, a journal, a translation, the first performance of a play, the death of an author—but some events are literary only in terms of their repercussions and resonances. Essays devoted to a genre exist alongside essays devoted to one book, institutions are presented side by side with literary movements, and large surveys appear next to detailed discussions of specific landmarks. No article is limited to the "life and works" of a single author. Proust, for example, appears through various lenses: fleetingly, in 1701, apropos of Antoine Galland's translation of *The Thousand and One Nights*; in 1898, in connection with the Dreyfus Affair; in 1905, on the occasion of the law on the separation of church and state; in 1911, in relation to Gide and their different treatments of homosexuality; and at his death in 1922. Without attempting to cover every author, work, and cultural development since the Serments de Strasbourg in 842, this history succeeds in being both informative and critical about the more than 1,000 years it describes. The contributors offer us a chance to appreciate not only French culture but also the major critical positions in literary studies today. *A New History of French Literature* will be essential reading for all engaged in the study of French culture and for all who are interested in it. It is an authoritative, lively, and readable volume.

The Libertine's Nemesis Mar 29 2022 What is the role of the prude in the roman libertine? James Fowler argues that in the most famous novels of the genre (by Richardson, Crebillon fils, Laclos and Sade) the prude is not the libertine's victim but an equal and opposite force working against him, and that ultimately she brings retribution for his social, erotic and philosophical presumption. In a word, she is his Nemesis. He is vulnerable to her power because of the ambivalence he feels towards her; she is his ideological enemy, but also his ideal object. Moreover, the libertine succumbs to an involuntary nostalgia for the values of the Seventeenth Century, which the prude continues to embody through the age of Enlightenment. In Crebillon fils and Richardson, the encounter between libertine and prude is played out as a skirmish or duel between two individuals. In Laclos and Sade, the presence of female libertines (the Marquise de

Merteuil and Juliette) allows that encounter to be reenacted within a murderous triangle.

Aspects of Hobbes Mar 05 2020 The author presents a set of extended essays on a wide variety of aspects of the life and work of this giant of early modern thought. An introduction to Hobbes's life and thought acts as a foundation for discussion of such topics as his political philosophy and theory of international relations.

Milton, Rights and Liberties Nov 05 2022 On July 14th, 1790, a key figure in the French Revolution honoured Milton as a founding father of the French republic. In the light of this connection, it was appropriate that the 8th International Milton Symposium (7-11 June 2005) was held in Grenoble, cradle of the French Revolution. But the connection of Milton and Rights takes us well beyond the specific link with France, and the fascinating selection of essays assembled in this volume, many by leading Milton scholars, addresses the question in the poetry as well as the prose. Milton's fervent but changing attitude to liberties is debated from various points of view, so that the volume contains essays on topics ranging from the musical adaptations of Samson Agonistes to its angrily argued parallel with contemporary terrorism, from air pollution in Paradise Lost to Milton's supposed Puritanism and putative parallels with a French pornographer. *Dangerous Women, Libertine Epicures, and the Rise of Sensibility, 1670-1730* Feb 25 2022 In the first full-length study of the figure of the female libertine in late seventeenth- and early eighteenth-century literature, Laura Linker examines heroines appearing in literature by John Dryden, Aphra Behn, Catharine Trotter, Delariviere Manley, and Daniel Defoe. Linker argues that this figure, partially inspired by Epicurean ideas found in Lucretius's *De rerum natura*, interrogates gender roles and assumptions and emerges as a source of considerable tension during the late Stuart and early Georgian periods. Witty and rebellious, the female libertine becomes a frequent satiric target because of her transgressive sexuality. As a result of negative portrayals of lady libertines, women writers begin to associate their libertine heroines with the pathos figures they read in French texts of sensibilité. Beginning with a discussion of Charles II's mistresses, Linker shows that these women continue to serve as models for the female libertine in literature long after their "reigns" at court ended. Her study places the female libertine within her cultural, philosophical, and literary contexts and suggests new ways of considering women's participation and the early novel, which prominently features female libertines as heroines of sensibility.

The History of Christianity Oct 12 2020

Musset ou la nostalgie libertine Sep 10 2020 Musset libertin ? Alors que le romantisme est à son apogée, "l'enfant du siècle" rêve de Louis XV et de Casanova. Sa nostalgie pour un monde révolu, imagine d'après la littérature, a quelque chose d'anachronique et en même temps révolutionnaire. L'originalité gance insolente et la sensualité du XVIIIe siècle rajeunissent sous sa plume, rehaussées par une touche de poésie toute personnelle. Son oeuvre en retire une grande liberté de pensée et de langage, comme un léger parfum de scandale. Musset joue en virtuose des sous-entendus du discours libertin puisant dans un riche intertexte qui va de Marivaux à Louvet de Couvray, en passant par Crbillon fils et Laclos. Il en retient notamment l'art de jouer avec le lecteur, en vue d'établir avec lui un rapport tout à la fois de complicité et de défi. Pris dans les chassés-croisés de la séduction et du retrait, de l'aveu et du déni, ce discours postule l'ambivalence entre cynisme et sentimentalisme. Il suggère une secrète parenté entre double sens libertin et ironie romantique. Ainsi, de la reprise au dépassement du modèle hérétique du siècle des Lumières, l'oeuvre de Musset trouve la voie de son originalité et de son charme.
