Personal Recollections of Joan of Arc (Complete Edition) Feb 02 2020 Personal Recollections of Joan of Arc is a historical novel presented as a translation of memoirs by Louis de Conte, a fictional version of Louis de Contes, Joan of Arc's page. The story is divided into three sections according to Joan of Arc's development: a youth in Domrémy, a commander of the army of Charles VII of France and a defendant at trial in Rouen. Samuel Langhorne Clemens (1835-1910), better known by his pen name Mark Twain, was an American writer, humorist, entrepreneur, publisher, and lecturer. He is best known for his two novels – The Adventures of Tom Sawyer and its sequel, the Adventures of Huckleberry Finn, but his satirical stories and travel books are also widely popular. His wit and satire, in particular in speech, earned him praise from critics and peers. He was lauded as the greatest American humorist of his age.

The Rubáiyát of Omar Khayyám - Balfour Burrow Nov 24 2021 It would be difficult to overstate the popularity of Omar Khayyám's Rubáiyát. Since it was first published in 1859, it has been translated into 70 languages; appeared in at least 1300 different editions, illustrated by 150 plus artists and set to music by 100 composers. A reviewer in the Bookman considered Constable's 1920 Art Deco edition of the Rubáiyát of Omar Khayyám to be one of the most beautiful of the many editions of 'Omar' ever been published. The early 20th century was a Golden Age for lavish editions of the poem, illustrated by the most accomplished artists of the day. Balfour's stunning Art Deco style, gloriously decorative and risqué as it is, carries a strong echo of Beardsley. His remarkable suite of 38 illustrations epitomizes the era of opulence, extravagance and a new found freedom of expression following the radical changes caused by the First World War. Books such as these, and particularly the Balfour edition of the Rubáiyát, are extremely rare these days. Balfour's illustrations have scarcely been seen at all since the book was first published. This eBook aims to redress the balance somewhat since it contains a complete suite of Balfour's original illustrations facing quatrains from FitzGerald's first version of his translation, exactly as they appeared in the 1920 print edition. There is also a supporting text of biography.

concerning Omar Khayyám, FitzGerald and Ronald Balfour plus the texts for all five versions of FitzGerald's translations.

Heart of Darkness (Fourth International Student Edition) (Norton Critical Edition) 100-100 2020 The Fourth Edition is again based on Robert Kimbrough's meticulously re-edited text. Missing words have been restored and the entire novel has been repunctuated in accordance with Conrad's style. This is the first published version of Heart of Darkness that allows readers to hear Marlow's voice as Conrad heard it when he wrote the story. "Backgrounds and Contexts" provides readers with a collection of maps and photographs that bring the Belgian Congo to life. Textual materials, too, are arranged, address nineteenth-century views of imperialism and racism and include autobiographical writings by Conrad on his life in the Congo. New to the Fourth Edition is an excerpt from Ada Hirsch's recent book, King Leopold's Ghost, as well as writings on race by Hegel, Darwin, and Galton. "Criticism" includes a wealth of new materials, including nine contemporary reviews and assessments of Conrad and Heart of Darkness and twelve recent essays by Chinua Achebe, P. Brooks, Daphne Erdinast-Vulcan, Edward Said, and Paul B. Armstrong, among others. Also new to this edition is a section of writings on the connections between Heart of Darkness and the film Apocalypse Now by Louis K. Greiff, Margot Norris, and Lynda J. Dryden. A Chronology and Selected Bibliography are also included.

Persuasion Jan 15 2021 "Persuasion is Jane Austen's final completed work. It differs from her other novels in its innovative treatment of passion and echoes them in its development of those themes of memory and time, public and private history, inner and outer lives, emotion and restraint that mark all her mature works. This edition places the novel in its historical setting, the few months between Napoleon's escape from Elba and the battle of Waterloo, and it relates its elegiac mood to the moment when Jane Austen was writing: the period of disillusion following British victory. The edition provides comprehensive explanatory notes, an extensive critical introduction covering the complete publication history of the work, a chronology of Jane Austen's life, an authoritative textual apparatus, and a facsimile of the two 'cancelled chapters', the only extant manuscript of a completed novel. This edition is thus an indispensable resource for all scholars and readers of Jane Austen."--BOOK JACKET
