The Cockney Who Sold the Alps Feb 29 2020 Albert Smith is one of the most famous Victorians of whom you've probably never heard. During his lifetime, he was a household name, thrilling audiences with his Ascent of Mont Blanc show at London's Egyptian Hall. An inveterate showman, Smith was also a doctor, journalist, raconteur, novelist, travel writer, and playwright. His many talents were outstripped only by his boundless self-belief and huge personality. Even Queen Victoria described him in her journal as "inimitable", an epithet Smith's contemporary Charles Dickens liked to reserve for himself. Although Smith died aged only 43, he managed to pack much incident into his short life. He was robbed by highwaymen in Italy, narrowly escaped death in a hot air ballooning accident, and dodged arrest in Paris during the June Days Uprising of 1848. He also got caught up in the row over Dickens's affair with Ellen Ternan. While his bumptiousness made Smith a divisive figure, many saw in him the Victorian ideal of the self-made man: energetic, imaginative, and ready to seize any new opportunity. As Alan McNee explains in this lively biography, it was his intrepid ascent of Mont Blanc in 1851 that propelled Smith to stardom. His subsequent show inspired 'Mont Blanc mania', encouraging participation in mountaineering as a popular pursuit. *The Cockney Who Sold the Alps* is a story of ambition, spectacle, and the fleeting nature of celebrity.

The Adam Smith Review: Apr 12 2021 Adam Smith's contribution to economics is well-recognised but in recent years scholars have been exploring anew the multidisciplinary nature of his works. The Adam Smith Adam Smith's contribution to economics is well-recognized but in recent years scholars have been exploring anew the multidisciplinary nature of his works. The Adam Smith Review provides a unique forum for interdisciplinary debate on all aspects of Adam Smith's works, his place in history, and the significance of his writings for the modern world. It is aimed at facilitating debate between scholars working across the humanities and social sciences, thus emulating the transdisciplinary reach of the Enlightenment world which Smith helped to shape. The third volume of this refereed series contains contributions from a multidisciplinary range of specialists, including Anthony Brewer, Alexandra Hyard, Charles G. Leathers and J. Patrick Raines, F.P. Lock, D.D. Raphael, Pedro N. Teixeira, Gloria Vivenza, Jack Russell Weinstein, and Donald Winch, who discuss such themes as:

- the influence of the Glasgow Edition of the Works and Correspondence of Adam Smith
- interpreting the 'man of system' in the sixth edition of *The Theory of Moral Sentiments*
- Adam Smith and education
- Adam Smith's economics

Private Security and the Investigative Process, Third Edition Nov 19 2021 Detailing best practices and trade secrets for private sector security investigations, *Private Security and the Investigative Process, Third Edition* provides complete coverage of the investigative process. The Palgrave Handbook of EU-Asia Relations May 02 2020 The Handbook provides a comprehensive range of contributions on the relations between the EU and Asia - two regions undergoing significant changes internally yet also developing stronger relations in the context of an emerging multi-polar world. It collates some 40 contributions from various disciplines by contributors from throughout the world.

Adam Smith's Discourse Oct 19 2021 Adam Smith's name has become synonymous with free market economics; The Wealth of Nations is taken as the definitive account of the benefits of free competitive markets. Yet recent scholarship has challenged this view and given us a richer, more nuanced figure, steeped in the intricacies of enlightenment social and political philosophy. Adam Smith's Discourse both develops this literature and gives it a radical new extension by taking into account recent debates in literary theory.

Notes and Queries Mar 12 2021

The Public Relations Handbook Jan 28 2020 The Public Relations Handbook is a comprehensive and detailed introduction to the theories and practices of the public relations industry. It traces the history and development of public relations, explores ethical issues which affect the industry, examines its relationship with politics, lobbying organizations and journalism, assesses its professionalism and regulation and advises on training and entry into the profession. The Public Relations Handbook combines theoretical and organizational frameworks for studying public relations with examples of how the industry works in practice. It draws on a range of promotional strategies and campaigns from businesses, public and non-profit organizations including the AA, Airbus, BT, Northamptonshire County Council, Cuprinol and Action for Children. The Fourth Edition includes: case studies, examples and illustrations from a range of campaigns from small and multinational corporations, local government and charities; a companion website with new international case studies updated quarterly; specialist chapters on financial public relations, internal communications and marketing public relations; strategic

overviews of corporate identity, globalisation and evaluation; a thorough examination of ethics and professionalism; more than fifty illustrations from recent PR campaigns; a completely revised chapter on corporate social responsibility a new chapter on risk, issues and crisis management.

Ethics in Sport-3rd Edition Jan 22 2022 Ethics in Sport, Third Edition, offers 32 essays by well-known authors. These essays explore the roots of the ethical and moral dilemmas so prevalent in sport culture today. Nearly half the essays are new to this edition.

An Introduction to Human Geography Aug 17 2021 Providing a rich overview of to the major topics in human geography, this book offers a unique, engaging and relevant perspective to this ever-changing subject. Focussing on some of the key geographical challenges facing the world at the beginning of the 21st century, this new edition examines the forces that shape economies and societies.

Romanticism, Self-Canonization, and the Business of Poetry May 14 2021 This is the first book to examine how Romantic writers transformed poetic collections to reach new audiences. In a series of case studies, Michael Gamer shows Romantic poets to be fundamentally social authors: working closely with booksellers, intimately involved in literary production, and resolutely concerned with current readers even as they presented themselves as disinterested artists writing for posterity. Exploding the myth of Romantic poets as naive, unworldly, or unconcerned with the practical aspects of literary production, this study shows them instead to be engaged with intellectual property, profit and loss, and the power of reprinting to reshape literary reputation. Gamer offers a fresh perspective on how we think about poetic revision, placing it between aesthetic and economic registers and foregrounding the centrality of poetic collections rather than individual poems to the construction of literary careers.
