Neil Young's Harvest Dec 26 2021 Neil Young's Harvest is one of those strange albums that has achieved lasting success without ever winning the full approval of rock critics or hardcore fans. Even Young himself has been equivocal, describing it in one breath as his "finest" album, dismissing it in the next as an MOR aberration. Here, Sam Inglis explores the circumstances of the album's creation and asks who got it right: the critics, or the millions who have bought Harvest in the 30 years since its release? Excerpt The White Falcon's split pickup might have been just a gimmick from the early days of stereo, but the way Neil Young uses it on 'Alabama' is remarkable. His muted picking brings stabbing notes first from one speaker, then the other, as though we were hearing not one but two guitarists, playing with an unnatural empathy. The electric guitar has seldom sounded so menacing, and Young's growling rhythm and piercing lead notes are tracked perfectly by Kenny Buttrey's bare-bones drumming. The build to the chorus is beautifully judged, and when Young and his celebrity backing singers let rip, there's an almost physical sense of release.

Imdeduya Sep 10 2020 This volume presents five variants of the Imdeduya myth: two versions of the actual myth, a short story, a song and John Kasaipwalova's English poem "Sail the Midnight Sun". This poem draws heavily on the Trobriand myth which introduces the protagonists Imdeduya and Yolina and reports on Yolina's intention to marry the girl so famous for her beauty, on

his long journey to Imdeduya's village and on their tragic love story. The texts are compared with each other with a final focus on the clash between orality and scripturality. Contrary to Kasaipwalova's fixed poetic text, the oral Imdeduya versions reveal the variability characteristic for oral tradition. This variability opens up questions about traditional stability and destabilization of oral literature, especially questions about the changing role of myth - and magic - in the Trobriand Islanders' society which gets more and more integrated into the by now "literal" nation of Papua New Guinea.

life. Birdsong, car engines, ritual chants - these are just some of the sounds that have and continue to subtly provide a background to our lives. This collection of poems explores the importance of all kinds of songs, but particularly the power of these songs to express our deepest emotions. Ultimately, these poems focus on the musical quality inherent to poetry itself. You can read more of Benjamin's work at his blog, <http://sketchythings.tumblr.com>

Rhythms of Labour Oct 24 2021 Whether for weavers at the handloom, labourers at the plough or factory workers on the assembly line, music has often been a key texture in people's working lives. This book is the first to explore the rich history of music at work in Britain and charts the journey from the singing cultures of pre-industrial occupations, to the impact and uses of the factory radio, via the silencing effect of industrialisation. The first part of the book discusses how widespread cultures of

singing at work were in pre-industrial manual occupations. The second and third parts of the book show how musical silence reigned with industrialisation, until the carefully controlled introduction of Music while You Work in the 1940s. Continuing the analysis to the present day, Rhythms of Labour explains how workers have clung to and reclaimed popular music on the radio in desperate and creative ways.

Harvest Song Jul 21 2021 This epic panorama of rural Bengal, is set in the time of the Tebhaga movement of the 1940s, the peasants' uprising against unjust 'taxes' by landlords that was led by the Communist Party. Spanning generations, this story relates how the struggle changed rural Bengal. Roy depicts a range of women, educated and the less educated, who join the struggle and find some freedom in their lives. With a rare sensitivity and a tremendous sweep of vision, she narrates the triumph, the idealism and the stories of those who fought for or resisted change.

Songs of Nature Mar 05 2020 "Songs of Nature" is a wonderful collection of poetry by Sarojini Naidu. Contents include: "To My Fairy Fancies", "Leili", "In The Forest", "In A Time Of Flowers", "Nasturtiums", "Golden Cassia", "Champak Blossoms", "Ecstasy", "Slumber Song For Sunalini", etc. A fantastic collection of beautiful Indic poetry not to be missed by fans and collectors.

Naidu (1879-1949) was a staunch proponent of women's emancipation, civil rights, and anti-imperialistic ideas, playing an important role in India's struggle for independence from colonial rule. Her work as a poet includes both children's poems and others with more mature themes including patriotism, romance, and tragedy, earning her the sobriquet "Nightingale of India". Her most famous work is "In the Bazaars of Hyderabad" (1912), which remains widely read to this day. Other notable works by this author include: "The Bird of Time: Songs of Life, Death & the Spring" (1912) and "Muhammad Jinnah: An Ambassador of Unity" (1919). Read & Co. is publishing this brand new poetry collection complete with an introduction by Edmund Gosse.
