The Life and Times of Margaret of Anjou, Queen of England and France May 29 2022

[The King embodies the world](#) Feb 11 2021 Robert d Anjou, King of Naples (1309-1343), was a lay preacher. With his sermons, he expressed his piety and erudition, but most importantly, he preached in order to extend his royal office. This study provides an important contribution to the history of lay preaching.

Letters of Queen Margaret of Anjou and Bishop Beckington and Others Apr 27 2022

Robert the Burgundian and the Counts of Anjou, Ca. 1025-1090 Nov 30 2019 This work examines the life and career of a prominent castle lord of 11th-century Anjou. Robert the Burgundian was an Angevin knight whom the counts of Anjou allowed to amass considerable power on the northwestern march of Anjou.

Letters of Queen Margaret of Anjou and Bishop Beckington Mar 03 2020 Originally published in 1897, this early works is a fascinating novel of the period and still an interesting read today. Contents include: The function of Latin, Chansons De Geste, The Matter of Britain, Antiquity in Romance, The making of English and the settlement of European Prosody, Middle High German Poetry, The 'Fox, ' The 'Rose, ' and the minor Contributions of France, Icelandic and Provençal, The Literature of the Peninsulas, and Conclusion.... Many of the earliest books, particularly those dating back to the 1900's and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork

Letters of Queen Margaret of Anjou and Bishop Beckington and Others Jan 01 2020

Margaret of Anjou: Queen of England Jul 19 2021

The Duke of Anjou's Succession Considered Jan 31 2020

Henry VI and Margaret of Anjou Sep 08 2020 He became king before his first birthday, inheriting a vast empire from his military hero father; she was the daughter of a king without power, who made an unexpected marriage at the age of fifteen. Almost completely opposite in character, together they formed an unlikely but complimentary partnership. Henry VI and Margaret of Anjou have become famous as the Lancastrian king and queen who were deposed during the Wars of the Roses but there is so much more to their story. The political narrative of their years together is a tale of twists and turns, encompassing incredible highs, when they came close to fulfilling their desires, and terrible, heart-breaking lows. Personally, their story is an intriguing one that raises many questions. Henry was a complex, misunderstood man, enlightened and unsuited to his times and the pressures of kingship. In the end, overcome by fortune and the sheer determination of their enemies, their alliance collapsed. England simply wasn't ready for a gentle king like Henry, or woman like Margaret who defied contemporary stereotypes of gender and queenship. History has been a harsh judge to this royal couple. In this discerning dual biography, Amy Licence leads the way in a long-overdue re-evaluation of their characters and contributions during a tumultuous and defining period of British history. Anjou Oct 29 2019 This volume serves as an essential reference for new thoughts, interpretation and discussion of the rich architectural and archaeological heritage of Anjou. It outlines the development of building techniques in Anjou and Touraine, and concentrates on the medieval period.

Letters of Queen Margaret of Anjou and Bishop Beckington and Others Sep 01 2022

The Red Rose of Anjou Sep 20 2021 When Henry VI becomes king, it is soon clear that he would be better suited to a quiet life than to ruling the country. Richard, Duke of York, is convinced that he would make a better king and has more right to the crown, and he will stop at nothing to claim it. But Margaret of Anjou, Henry's new French wife, is a formidable woman who is just as determined to keep Henry on the throne. Most powerful of all is the Earl of Warwick, the kingmaker, and with his support of Richard of York the War of the Roses begins. When Henry VI lapses into madness and eventually meets his mysterious end in the Wakefield Tower, Margaret directs all of her ambition towards her young son. Passionate and impulsive, she begins scheming for him, and in doing so dashes headlong into disaster ... Praise for Jean Plaidy 'Plaidy has brought the past to life'

TLS 'Outstanding' Vanity Fair

Wars of the Roses: Margaret of Anjou Feb 23 2022 The brilliant retelling of the Wars of the Roses continues with Margaret of Anjou, the second gripping novel in the new series from historical fiction master Conn Iggulden. As traitors advance . . . a queen defends. It is 1454 and for more than a year King Henry VI has remained all but exiled in Windsor Castle, struck down by his illness, his eyes vacant, his mind blank. His fiercely loyal wife and queen, Margaret of Anjou, safeguards her husband's interests, hoping that her son Edward will one day come to know his father. With each month that Henry is all but absent as king, Richard, the duke of York, protector of the realm, extends his influence throughout the kingdom. A trinity of nobles--York and Salisbury and Warwick--are a formidable trio and together they seek to break the support of those who would raise their colors and their armies in the name of Henry and his queen. But when the king unexpectedly recovers his senses and returns to London to reclaim his throne, the balance of power is once again thrown into turmoil. The clash of the Houses of Lancaster and York may be the beginning of a war that could tear England apart . . . Following Stormbird, Margaret of Anjou is the second epic installment in master storyteller Conn Iggulden's new Wars of the Roses series. Fans of the Game of Thrones and the Tudors series will be gripped from the word "go."

[King René d'Anjou and His Seven Queens](#) Jul 27 2019 DigiCat Publishing presents to you this special edition of "King René d'Anjou and His Seven Queens" by Edgumbe Staley. Henry VI, Margaret of Anjou and the Wars of the Roses Nov 22 2021

The Anjou Bible Nov 10 2020 The Anjou Bible, now kept in the Theology Faculty's Maurits Sabbe Library of the University of Leuven (Belgium) is a superbly illuminated manuscript created at the Royal Court of Naples in the turbulent fourteenth century. At this time much of Central and Southern Europe was governed by the successful dynasty of Anjou, which continued to expand its territories and encouraged artists and writers like Giotto, Simone Martini, Boccaccio and Petrarch. In 1328, after the death of her father, Joanna of Anjou became the official heir to the prosperous Kingdom of Naples and Sicily. Several years later her grandfather, Robert I, gave Joanna and her young fiancé Andrew of Hungary a precious gift, which became known as the Anjou Bible, a manuscript that is priceless from a historical and art-historical point of view. In addition to Bible texts and splendid miniatures, it contains a wealth of historical information about the house of Anjou and the book's origins. One of the artists responsible for the magnificent painting was Cristophorus Orimina, the leading illuminator in Naples, who signed the work. The Anjou Bible has now been carefully conserved and studied: the research findings are brought together in this book. Essays by some of the most noted experts in the field describe how the arts were promoted at the court of Robert I of Anjou and also shed light on the Bible's genesis and on all the research methods and results. This book is richly illustrated and contains all the illuminated folios of the Anjou Bible.

Margaret of Anjou Aug 27 2019 Margaret of Anjou Jacob Abbott Margaret of Anjou (1430-1482), the wife of King Henry VI of England, was a heroine, not of romance and fiction, but of stern and terrible reality. Her life was a series of military exploits, attended with dangers, privations, sufferings, and wonderful vicissitudes of fortune, scarcely to be paralleled in the whole history of mankind. She was born and lived in a period during which there prevailed in the western part of Europe two great and dreadful quarrels, which lasted for more than a hundred years, and which kept France and England, and all the countries contiguous to them, in a state of continual commotion during all that time. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

Henry VI, Margaret of Anjou and the Wars of the Roses Oct 02 2022 Henry VI (1422-61), a man 'more given to God and devout prayer than handling worldly and temporal things', was the third, and least successful, Lancastrian king of England; his wife Margaret of Anjou, 'a great and strong laboured woman', became a formidable political force in her own right; and the Wars of the Roses, so dramatically portrayed by William Shakespeare as bloody dynastic struggles fought for the possession of the crown, brought the usurpation of Edward IV (1461-83), the humiliation and exile of Margaret of Anjou, and the murder of her husband in the Tower of London. Combining a framework of interpretation and a rich selection of passages from contemporary and near-contemporary sources, this compilation enables readers to appreciate just why the rule of Henry VI resulted in the outbreak of the Wars of the Roses, what these internecine conflicts were like, and how they culminated in the end of the House of Lancaster. Keith Dockray was formerly Senior Lecturer in Medieval and Early Modern History at the University of Huddersfield. This volume, following in the footsteps of his Edward IV: From Contemporary Chronicles, Letters and Records (2015) and Richard III: From Contemporary Chronicles, Letters and Records (2013) completes a trilogy of source readers covering English kings, politics and war circa 1450 to 1485.

Letters of Queen Margaret of Anjou and Bishop Beckington and Others Dec 24 2021

The Duke of Anjou and the Politique Struggle During the Wars of Religion Nov 03 2022 This book examines the Duke of Anjou's ambivalent relationship with the politique struggle.

Margaret of Anjou and the Men Around Her Mar 27 2022 A detailed study of Margaret of Anjou that invites a more favourable reappraisal of her role in the Wars of The Roses than the historical perspective so often inflicted on the losing side.

The Letters of Margaret of Anjou Apr 15 2021 New study and edition of the remarkable letter collection of Margaret of Anjou, bringing all her correspondence together in one volume for the first time.

Memoria und Repräsentation Apr 03 2020 Ein Königsgeschlecht pflegt seine Tradition vor allem durch das Gedenken an seine Ahnen. Grablagen spielen dabei eine zentrale Rolle. Tanja Michalsky betrachtet die Grabmäler des Königshauses Anjou, die im Königreich Sizilien (Neapel) von den ersten drei Herrschergenerationen in der zweiten Hälfte des 13. und der ersten Hälfte des 14. Jahrhunderts errichtet wurden. Die Monumente hatten konkret greifbare politische und legitimatorische Funktionen, sie lassen sich aber auch aus der Frömmigkeit und dem Herrschaftsverständnis ihrer Zeit erklären. Beide Aspekte werden in dem Band behandelt. Er leistet einen wichtigen Beitrag zur systematischen Erforschung der beiden grundlegenden Funktionen von Grabmalern, der Memoria des Verstorbenen und der Repräsentation des Königreiches durch das königliche Geschlecht. Ein umfangreicher, eindrucksvoller Abbildungsteil sowie ein Katalog, in dem die Gräber einzeln vorgestellt werden und das Quellenmaterial zur Organisation der Sorge um das Seelenheil bereitgestellt wird, runden den Band ab. Die Grabmäler des Königshauses Anjou stellen sich als Ausdrucksform einer planvollen, öffentlichen Inszenierung des eigenen Geschlechts dar.

Margaret of Anjou Jun 29 2022 Margaret of Anjou is the most notorious of English medieval queens. In a man's world, how did she exercise power? By considering the constraints imposed upon Margaret's involvement in political activity by virtue of being a woman, this book sheds light on the convoluted politics of 15th century England. The Good King Jul 31 2022 King René is little known beyond France, yet, through his controversial daughter Margaret of Anjou, he affected events in England during the Wars of the Roses. René's court rivalled Burgundy in its rich artistic culture and his claim to the kingdom of Naples started a process that led to enormous changes in the power structure of Southern Europe.

History of Margaret of Anjou May 17 2021

King René D'Anjou and His Seven Queens Oct 22 2021 Om René I (1409-1480), titulær konge af Neapel, hertug af Lorraine, konge af Sicilien, Katalonien m.v.

Text and Image in René D'Anjou's Livre Des Tournois Aug 08 2020 An illustrated manual showing how a medieval tournament was organised, here presented in three volumes with essays on various aspects of the manuscript.

Charles I of Anjou Jan 25 2022 This text aims to provide a balanced portrait of one of the most controversial figures of 13th-century Europe and an assessment of the long-term significance of his career. The author describes how Charles I was able to carve out and control a huge power block in the Mediterranean, where he became ruler of Provence, Jerusalem and the kingdom of Naples (including Sicily) as well as that of Anjou. She also discusses his pivotal role in the crusades, as well as his military reform, trading, diplomacy, learning and the arts. The book explores through the life of Charles I of Anjou the international power politics of 13th-century Mediterranean Europe and shows that, as a result of his actions, the political map of Europe was redrawn.

Letters Of Queen Margaret Of Anjou And Bishop Beckington And Others Written In The Reigns Of Henry V And Henry VI From A Ms. Found At Emral In Flintshire Mar 15 2021 This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

Margaret of Anjou Jul 07 2020 Margaret of Anjou, closely related to the throne of France, was a glittering prize in the marriage lottery of the fifteenth century. When the statesmen of England sought her hand for Henry VI they saw in such a union a permanent solution to the Hundred Years war. Sadly, Margaret was soon to discover that her husband was more suitable for a monastic life than a wedded one. Her passionate nature, so woefully neglected, led her deeper and deeper into trouble, and she was prevented by her high destiny from enjoying the society of the man she loved.

The Red Queen Jun 17 2021 This novel, The Red Queen, covers England's War of the Roses, 1444-1475. Fascinating characters abound in that period. There are, in addition to Margaret, who was married at age 14: Henry VI, her husband, who was 'fitter for a cow than a crown.' Cardinal Beaufort, who pushed the marriage. The Duke of Gloucester, who opposed it. Warwick the Kingmaker, Margaret's greatest enemy. The Yorkists and Lancastrians who tore England apart. Margaret was a strong woman more suited to our own times than her own. Overlooked, it is time she is reintroduced as a heroine for today's readers.
