Your Curriculum Companion: Feb 11 2021 This essential guide to the EL Education K-5 Language Arts Curriculum is one part roadmap to the curriculum, one part orientation to its instructional practices, and one part coach--to answer your questions, relieve your stress, and put you and your students on the path to success. Your Curriculum Companion explores the foundations of the curriculum, including the principles and research it was built on and the instructional practices that make it unique. The book is designed to help you "look under the hood" at practices embedded throughout the curriculum so that you can sharpen your instruction, support students to be leaders of their own learning, and make well-informed changes necessary to best meet your students' needs. Key features of Your Curriculum Companion include: Twenty-seven accompanying videos--see the curriculum in action Task cards for guidance on how to plan when the planning has been done for you The why, what, and how of the K-2 Reading Foundations Skills Block A deep dive into the purpose and structure of close reading and close read-alouds, including two sample annotated lessons. An exploration of the relationship between reading and writing and how the curriculum is designed to help students become strong communicators, including an annotated "read-think-talk-write" lesson. Detailed descriptions of the ways in which English language learners and other students who may need additional support are challenged, engaged, and empowered throughout the curriculum. Guidance for turning evidence of student progress into usable data that can inform your instruction. Support for school leaders

The New Sun Oct 02 2022 "In its depiction of ordinary Japanese, The New Sun is both an indictment of Japanese militarism and a plea for American understanding of "the enemy." Told mainly through Yashima's powerful artwork, it is a personal and political text of a rural doctor's son who becomes an anti-imperialist artist-activist. Yashima recounts how his wife and their peers were imprisoned and brutalized by the Tokkoku, Japan's secret police, often for months without being formally charged or knowing when they would be released. Despite the arbitrary deprivations and cruelties of life in prison and in imperial Japan, Yashima retains faith in the regenerative possibilities of art and in a future without tyranny."--BOOK JACKET.

The Encyclopedia of Contemporary Japanese Culture Aug 27 2019 This encyclopedia covers culture from the end of the Imperialist period in 1945 right up to date to reflect the vibrant nature of contemporary Japanese society and culture.

Japan and American Children's Books Jun 29 2022 For generations, children's books provided American readers with their first impressions of Japan. Seemingly authoritative, and full of fascinating details about daily life in a distant land, these publications often presented a mixture of facts, stereotypes, and complete fabrications. This volume takes readers on a journey through nearly 200 years of American children's books depicting Japanese culture, starting with the illustrated journal of a boy who accompanied Commodore Matthew Perry on his historic voyage in the 1850s. Along the way, it traces the important role that representations of Japan played in the evolution of children's literature, including the early works of Edward Stratemeyer, who went on to create such iconic characters as Nancy Drew. It also considers how American children's books about Japan have gradually become more realistic with more Japanese-American authors entering the field, and with texts grappling with such serious subjects as internment camps and the bombing of Hiroshima and Nagasaki. Drawing from the Library of Congress's massive collection, Sybille A. Jagusch presents long passages from many different types of Japanese-themed children's books and periodicals—including travelogues, histories, rare picture books, folktale collections, and boys' adventure stories—to give readers a fascinating look at these striking texts. Published by Rutgers University Press, in association with the Library of Congress.

Books Out Loud Nov 30 2019

Herr Eichhorn und der erste Schnee Mar 15 2021 Warten auf den Winter: Herr Eichhorn sitzt auf dem Baum und wartet auf den Winter, der ja so wunderschön sein soll. Diesmal will er ihn nicht verschlafen. Er kämpft mit der Müdigkeit, die ihn übermannen will und rast nun wild den Baum herauf und herunter. Der Igel wird wach und zu zweit schmüßeln sie lauthals Seemannsweisen in den Wald, bis der verschlafene Bär vor ihnen steht. Nun gehen sie zu dritt auf die Suche nach dem Winter. Aber wie ist der, wenn man ihn nie erlebt hat? Weiss, nass und kalt soll er sein. Sie finden alles mögliche nur keine Schneeflocken, bis - die erste fällt. Und dann geht es los und als am nächsten Morgen Waldarbeiter in den Wald kommen, finden sie eine tolle Überraschung. Die einfache Geschichte lebt von den köstlichen Zeichnungen des Autors. Mit gekonnten filigranen Bleistiftstrichen sind die müden, miasmütigen, aber auch überraschenden, staunenden oder nachdenklichen Tiere durch Haltung und Gesichtsausdruck auf amüsante Weise gekonnt widergegeben. Die Farbe ist sehr sparsam und bewusst eingesetzt, nimmt gegen Ende des Buches zu und unterstützt das Gezeichnete. Ab 3 Jahren, ***** Denise Racine.

Storybook Art Mar 27 2022 "Storybook Art" is the long awaited literacy connection to art with 100 easy art activities inspired by 100 great picture book illustrators and their award-winning books -- both favorite classics and classics to be. Each activity has a personal quote by the illustrator, a child-sketch portrait, clear line art, and easy to follow materials and open-ended steps that value individual expression. The book is loaded with children's original art, a special resource chapter with awards and websites, birthday list of illustrators, and a unique chart of contents. No expertise is needed. Everyday materials like crayons, glue, scissors, and paint will allow young illustrators to blossom while learning to love reading with a new awareness or art, illustration and technique.

Crow Boy Nov 03 2022 Concern and understanding on the part of his teacher result in bringing to young Chibi, shunned for years by his classmates as an outsider, a respect and popularity he had never known.

The Unsung Great Aug 20 2021 From a title-winning boxer in Louisiana to a Broadway baritone in New York, Japanese Americans have long belied their popular representation as "quiet Americans." Showcasing the lives and achievements of relatively unknown but remarkable people in Nikkei history, scholar and journalist Greg Robinson reveals the diverse experiences of Japanese Americans and explores a wealth of themes, including mixed-race families, artistic pioneers, mass confinement, civil rights activism, and queer history. Drawn primarily from Robinson's popular writings in the San Francisco newspaper Nichi Bei Weekly and community website Discover Nikkei, The Unsung Great offers entertaining and compelling stories that challenge one-dimensional views of Japanese Americans. This collection breaks new ground by devoting attention to Nikkei beyond the West Coast—including the vibrant communities of New York and Chicago, as well as the little-known history of Japanese Americans in the US South. Expertly researched and accessibly written, The Unsung Great brings to light a constellation of varied and incredible life stories.

Momo's Kitten Jun 05 2020 A little Japanese-American girl finds a stray kitten and is allowed to keep it as a pet.

The Village Tree Apr 15 2021 Relates the author's childhood experiences playing near a huge old tree in his native Japanese village.

The Village Tree Oct 10 2020

Asian American Society Mar 03 2020 Asian Americans are a growing, minority population in the United States. After a 46 percent population growth between 2000 and 2010 according to the 2010 Census, there are 17.3 million Asian Americans today. Yet Asian Americans as a category are a diverse set of peoples from over 30 distinctive Asian-origin subgroups that defy simplistic descriptions or generalizations. They face a wide range of issues and problems within the larger American social universe despite the persistence of common stereotypes that label them as a "model minority" for the generalized attributes offered uncritically in many media depictions. Asian American Society: An Encyclopedia provides a thorough introduction to the wide-ranging and fast-developing field of Asian American studies. Published with the Association for Asian American Studies (AAAS), two volumes of the four-volume encyclopedia feature more than 300 A-to-Z articles authored by AAAS members and experts in the field who examine the social, cultural, psychological, economic, and political dimensions of the Asian American experience. The next two volumes of this work contain approximately 200 annotated primary documents, organized chronologically, that detail the impact American society has had on reshaping Asian American identities and social structures over time. Features: More than 300 articles authored by experts in the field, organized in A-to-Z format, help students understand Asian American influences on American life, as well as the impact of American society on reshaping Asian American identities and social structures over time. A core collection of primary documents and key demographic and social science data provide historical context and key information. A Reader's Guide groups related entries by broad topic areas and themes; a Glossary defines key terms; and a Resource Guide provides lists of books, academic journals, websites and cross references. The multimedia digital edition is enhanced with 75 video clips and features strong search-and-browse capabilities through the electronic Reader's Guide, detailed index, and cross references. Available in both print and online formats, this collection of essays is a must-have resource for general and research libraries, Asian American/ethnic studies libraries, and social science libraries.

Passagen 1920-1960 Apr 27 2022

MORE Best Practices for Elementary Classrooms Jul 27 2019 In this sequel to Randi Stone's Best Classroom Practices, award-winning elementary teachers showcase their best strategies for classroom management, instruction, involving parents, and making inclusion work.

Kartographie Jan 25 2022 Raheen und Karim kennen sich, seit sie denken können. Sie lieben "ihre" Stadt Karatschi, die gewalttätige, aufregende Millionenstadt. Als Kinder zweier eng miteinander verknüpfter Familien wachsen sie heran: Raheens Vater war mit Karims Mutter verlobt, bis er aus ethnischen Gründen diese Verbindung löste. Ein lange gehütetes Geheimnis beeinflusst auch die Kinder und vertreibt sie als Jugendliche aus der Stadt, die von Rassenunruhen erschüttert wird. Karim wandert mit seiner Familie nach London aus, Raheen studiert in den USA. Jahre später kommen sie in der geliebten Stadt wieder zusammen.

Classroom Bullying Prevention, Pre-K-4th Grade Sep 20 2021 Presents strategies to deter and prevent bullying in the classroom and provides lesson plans, activities, and references to helpful children's books.

Literature and the Child Jun 17 2021 LITERATURE AND THE CHILD, 9th Edition, offers thorough, concise coverage of the genres and formats of children's literature and guidance on using literature in the classroom. With a focus on diverse award-winning titles, this market-leading text includes beautifully written and illustrated discussions of exemplary titles for readers in nursery school through middle school. A stunning design features interior illustrations by Lauren Stringer, an award-winning children's book author and illustrator. Each genre chapter contains criteria for evaluating literary quality, equipping students with a resource to guide text selection in the classroom. Practical, research-based information about teaching appears throughout, including sample teaching ideas and an emphasis on the importance of selecting and teaching complex texts. Extensive booklists provide excellent, ongoing resources and highlight texts that emphasize diversity. This text helps teachers understand how to select books that best serve their curriculum goals as well as the interests and needs of their students. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Pacific Citizens Dec 24 2021 Offering a window into a critical era in Japanese American life, Pacific Citizens collects key writings of Larry S. Tajiri, a multitalented journalist, essayist, and popular culture maven. He and his wife, Guyo, who worked by his side, became leading figures in Nisei political life as the central purveyors of news for and about Japanese Americans during World War II, both those confined in government camps and others outside. The Tajiris made the community newspaper the Pacific Citizen a forum for liberal and progressive views on politics, civil rights, and democracy, insightfully addressing issues of assimilation, multiculturalism, and U.S. foreign relations. Through his editorship of the Pacific Citizen as well as in articles and columns in outside media, Larry Tajiri became the Japanese American community's most visible spokesperson, articulating a broad vision of Nisei identity to a varied audience. In this thoughtfully framed and annotated volume, Greg Robinson interprets and examines the contributions of the Tajiris through a selection of writings, columns, editorials, and correspondence from before, during, and after the war.

Pacific Citizens contextualizes the Tajiris' output, providing a telling portrait of these two dedicated journalists and serving as a reminder of the public value of the ethnic community press.
